Brad,
Our Singing Choir
was terrific - next year
is going to be awful!
Europe is going to be great!
Take care - Break a leg?

A full-page photograph of a river flowing through a forest. The water is turbulent and white with foam as it flows over rocks. The banks are lined with trees, many of which have bright yellow autumn leaves. Large, moss-covered rocks are visible in the foreground and along the left bank. The lighting is soft, suggesting a quiet time of day.

1978 will always be remembered
as the year the halls were painted.
But to us this represents more than
an art project - it symbolizes the
change and growth that is a part
of the lives of all of us. It is to
this spirit of an ever changing life
that we dedicate our 1978 yearbook.

As anticipation rises to the breaking point
we too have reached our heighth.
For us an age of conformity has died
and an era of freedom and individuality
has dawned.

Our lives have been filled with process...
the process of learning and achieving,
of communicating and understanding...
The understanding of victory,
the significance of defeat.

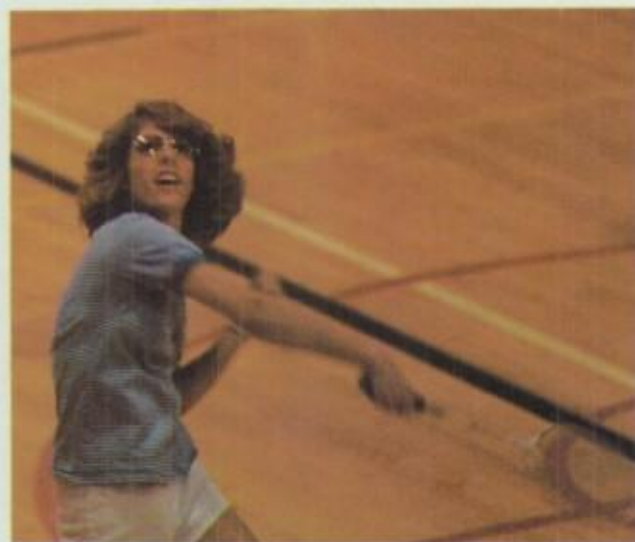

With this knowledge comes the realization
that nothing is permanent
except change.

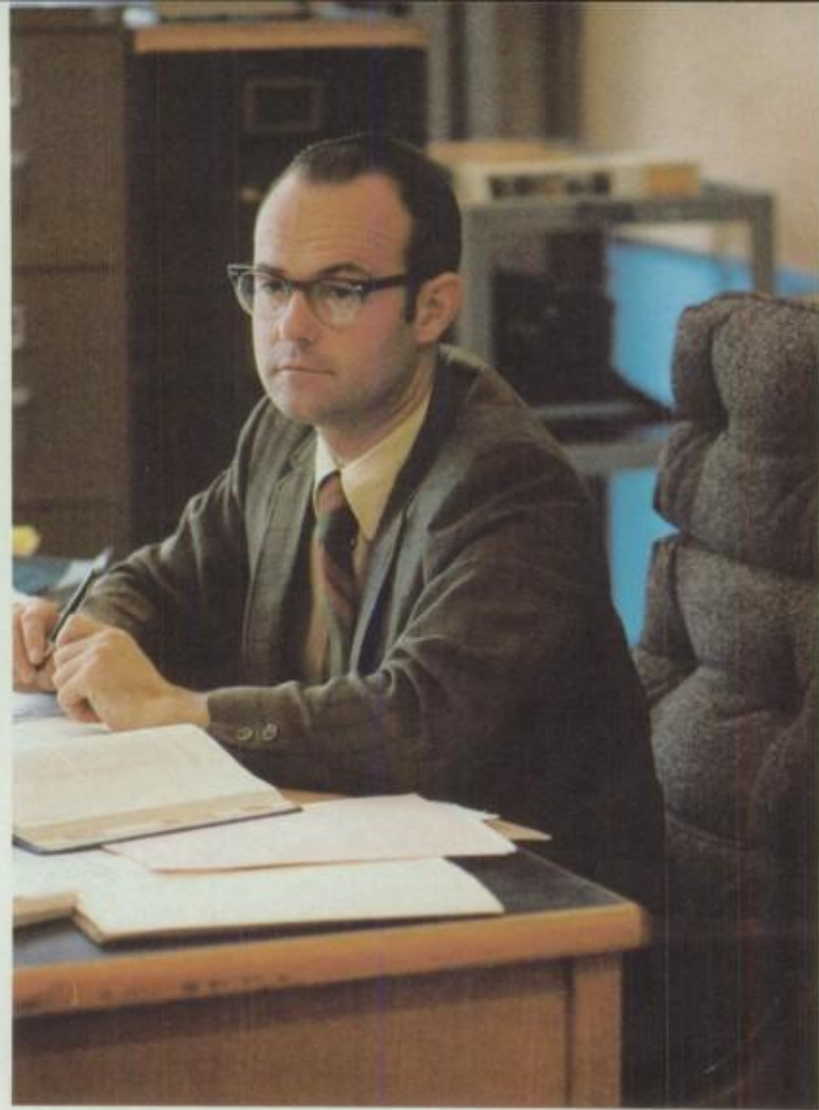

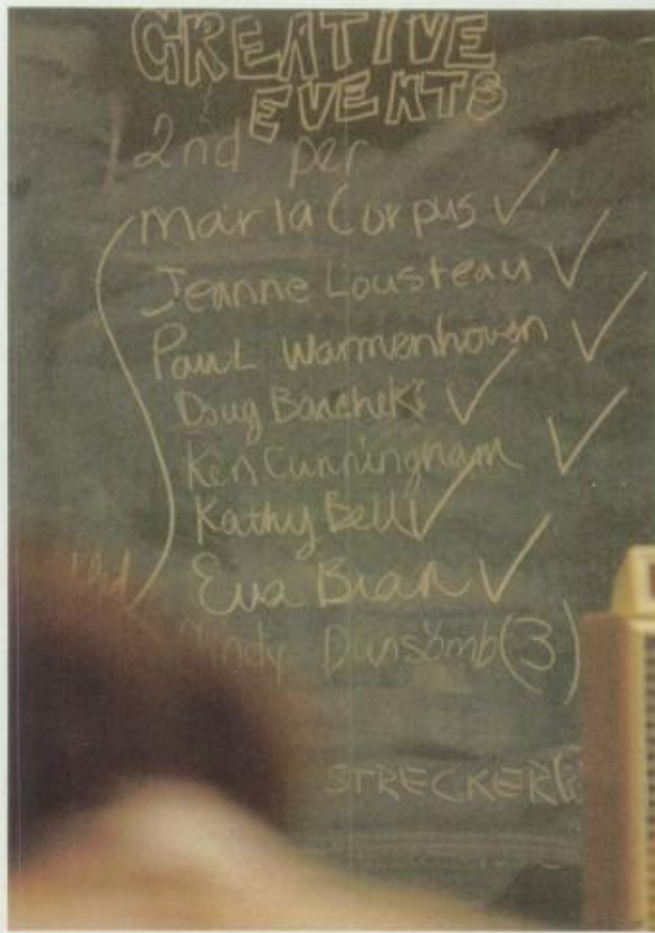

For in the dawning of freedom
comes absence...an absence of
stability and uniformity.
Only in this absence will we walk
hand in hand; as one, in many.

Brad,
 Watch out Europe! Here
 comes Brad! No, really, I'm
 just kidding. Actually, you should

 I hope our sophomore year

The disappointments and triumphs of a winless season don't always show themselves in the cold, hard facts of the team statistics. The Royal squad was in contention in every game save one, and several times went down to defeat in the final minutes, stubbornly relinquishing a scoreboard advantage to their rivals. The many Royal fans were treated to nine exciting, hard-fought contests, never giving up on their team. Yet, after so many defeats, it seems impossible that a team could play with such obvious enthusiasm and desire. There is only one possible explanation: the 1977 Royals were true winners!

Middle row- Claudia Cantrell, Laurie Guess, Beth Gurno, Ellen Dona, Mikki Kuhlman, Adrienne Steger, and Tracy Sylvester. Front row- Lynn Briest, Maris Baerney, Gail Stewart, Dana Carter, Becky Smith, and Marley Sandretzky.

One sport at K-M which has been gaining increasing recognition is girls' swimming. Captain Tracy Sylvester led the team through a good, solid season. The highlight of the year was K-M's victory over Kentridge by a score of 85-80. The team placed 7th in NPSL and 16th in State,

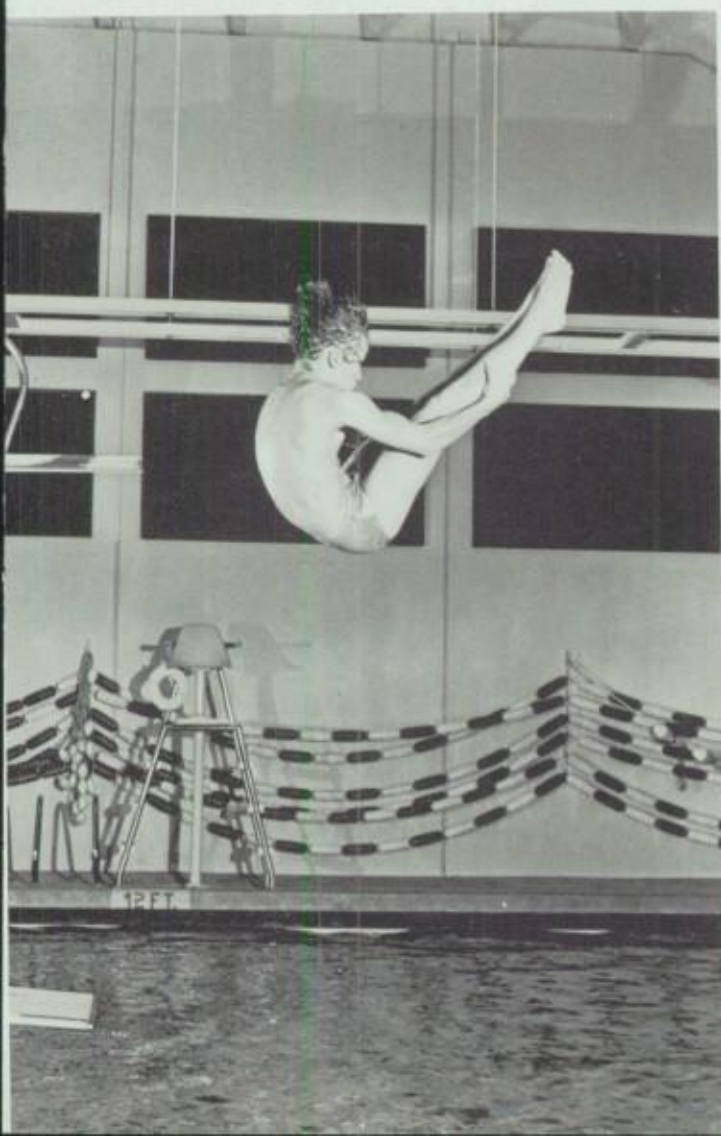

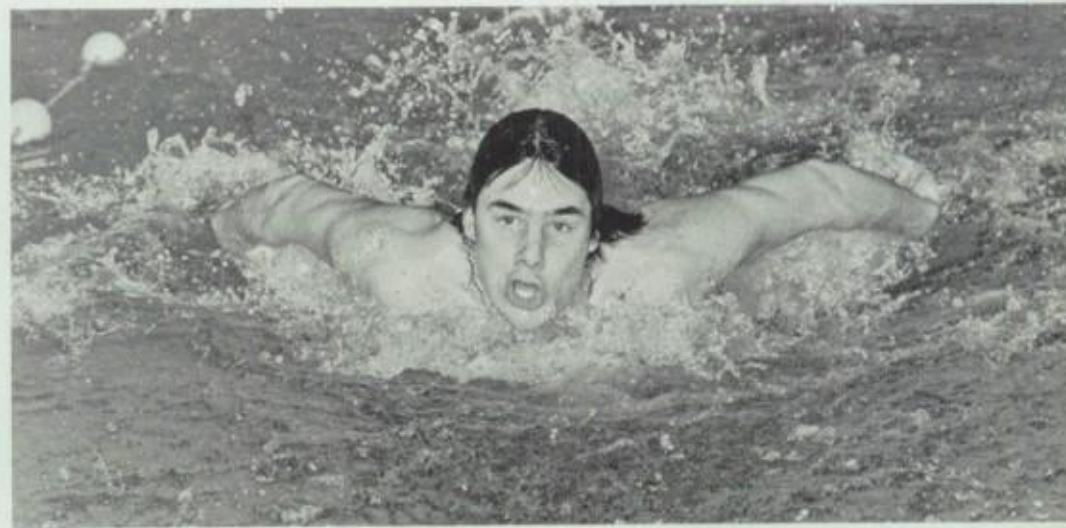

with Adrienne Steger placing third in the 500 freestyle. Adrienne was also named a high school All-American. Other outstanding swimmers to represent K-M at State were Maris Baerney, Becky Smith and Gail Stewart.

boys swimming

Whether diving from precipitous heights or churning through their lanes, our Boys' Swim Team kept the warm waters of the Kent Forward Thrust Pool astir with waves. Characterized by Coach Lew Green as "a young, but improving team" our Royal swimmers did not achieve their anticipated success. Nevertheless, they never let down and did qualify one of their best, Captain Davis Krumins, for competition in several events at the state meet. Serving as captains for next season will be Jeff Homfeldt, Stu Scarff and Jeff Lukkes.

Pictured in the photo above from left to right are the following swim team members: Row 4 - Scott Wells, Gary Taylor, Jeff Lukkes, Skip Lammon, Marty Baerny and Brian Pearrow. Row 3 - Mark Linehan, Scott Mulvihill, Ed Baker, Stu Scarff, Eric Mattoon, Jeff Homfeldt, Davis Krumins and Dave Buck. Row 2 - Alan Farwell and Jeff Jack. Row 1 - Tim Boatright, George Hart, Frank Larkin, Dave Raftis, John Carter, Todd Bourbonni and Mark Kleweno.

girls basketball

Losing a number of close contests in the final minutes, our Royal girls faced a series of setbacks that would have crushed a lesser team. While this season had its share of disappointments, the future looks bright as the J.V. squad posted a 14-4 win/loss record.

Captain Kim Robbins topped the honorees at the team's awards banquet. Robbins was the recipient of the most inspirational and Don Heacox Memorial awards and shared "outstanding senior" honors with Kristi Aberle. Aberle also received the Coach's award, symbolic of three years of dedication to the program. Pat Benson was named top junior and elected as next season's captain.

Pictured in photo at right are the 1977-78 varsity team members: Standing - Coach Jim Elmquist, Stacy Thoday, Kristi Aberle, Pat Benson, Diane Ried, Julie Wilson and Lisa Pounder. Kneeling - Kim Robbins, Sheri Cole, Maryann Raftis, Kim Dehnert and Alice Smids.

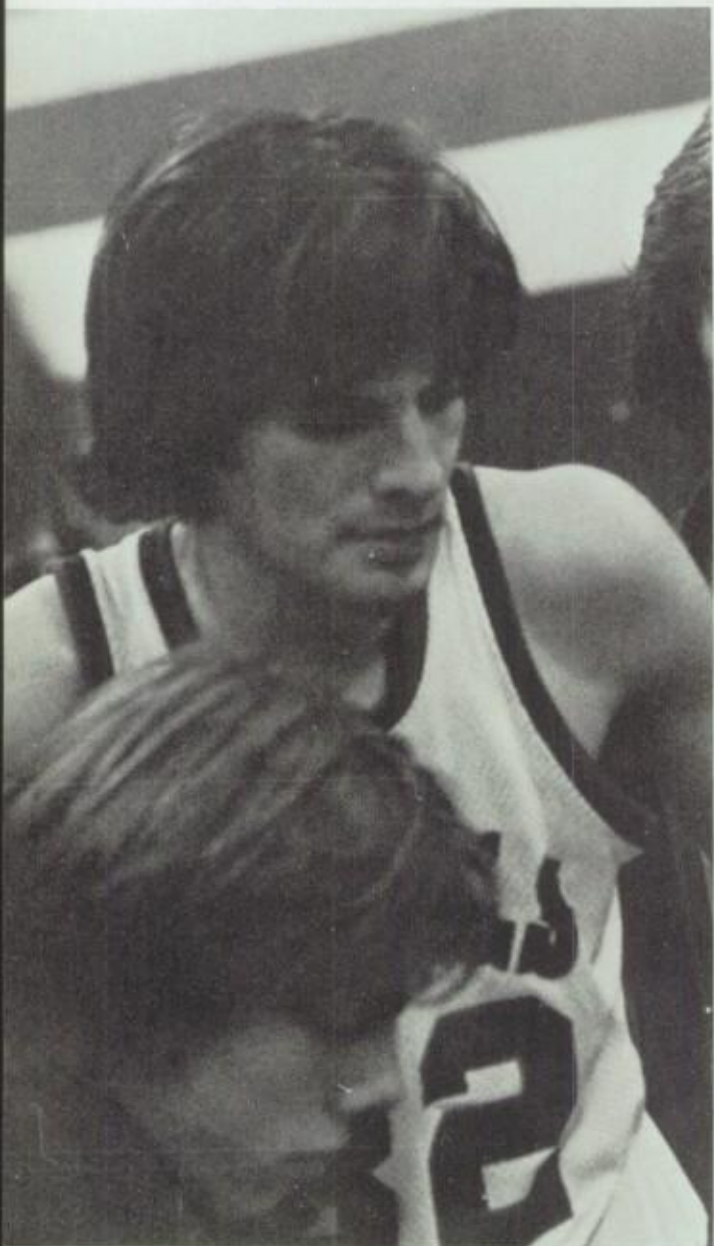

Pictured in the photo in the middle-left of page are those persons who served as team managers and statisticians: Standing - Sherman Shelton, Terri Gosk and Deanna Gratzner. Seated - Roxanne Houston and Lynne Briest.

The photo at the bottom-left of page depicts the members of the 1977-78 junior varsity team: Standing - Cathy Brown, Tami Harto, Stacy King, Tina Hill, Rhonda Sims, Bonnie Shaw and Coach Rowand. Kneeling - Merry Zielinski, Sue Lufkin, Lisa Rothleutner, Chris Evans, Jill Whealy and Cathie McCullough.

Kneeling - Tim Hunt, Dave Walton, Greg Highsmith, Mike Bates, Dave Gard and Daryl Akiona.

Led by all NPSL first team standout Jeb Best, the Royal varsity squad produced a banner season. After capturing the NPSL Olympic Division championship, the K-M dribblers fought their way through West Central District, clinching the final berth in Regional play with a thrilling 42-41 victory over Central Kitsap. This win placed K-M among the elite top sixteen teams in the state. In addition to Best, Daryl Akiona and Greg Highsmith were accorded NPSL Honorable Mention status and Ed Smith was voted NPSL Coach of the Year.

Despite a losing season, our Royal J.V. squad displayed the type of spirit and determination that has characterized K-M athletic teams over the years. Under the guidance of Coach Mike Matthews, these young men gained the skills and experience necessary to maintain the winning tradition of our Royal varsity.

sophomores

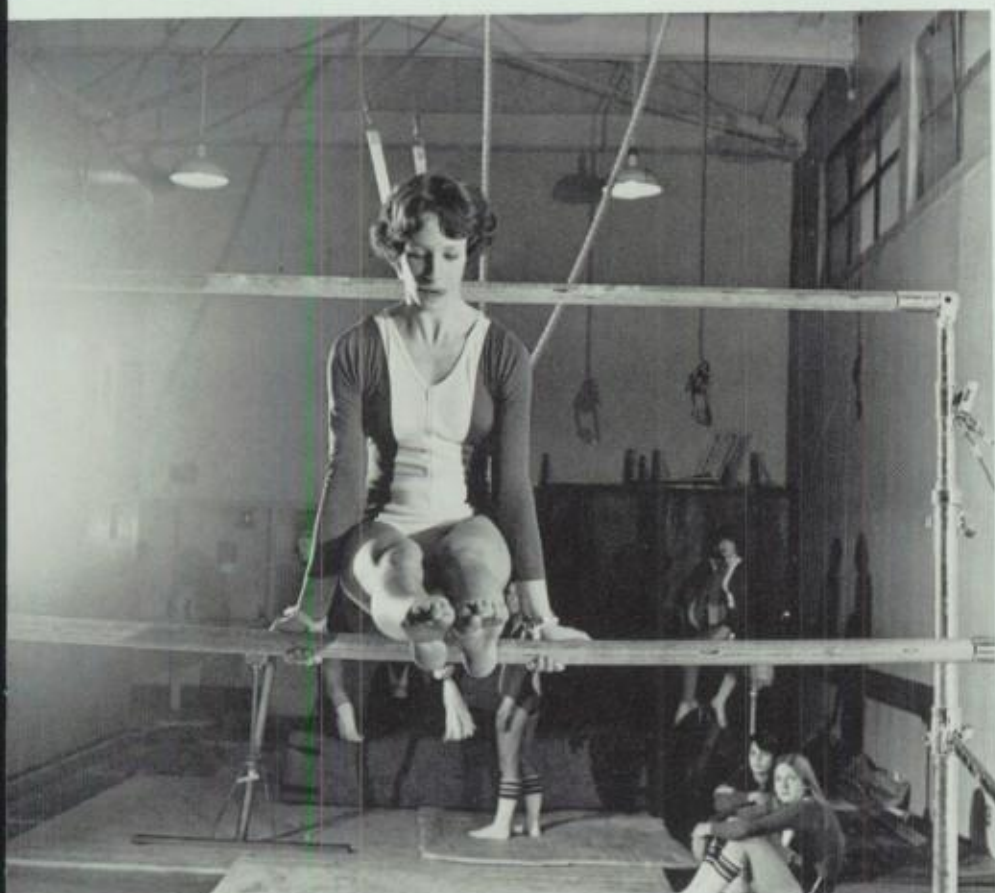

Pictured above from left to right are the following Sophomore basketball players: Standing - Dick Stewart, Steve Lott, Ty Graham, Marty Parker, Mark Kirchner, Steve Hibbeln and Coach Steve Richardson. Kneeling - Flint Gard, Dennis Burnside, Ed Burgi, Jeff Wilson, Scott Charbonneau, Ken Anderson and Phil Klopstein.

Although sporting an even record for the year, the Sophomores completed their season on a positive note by winning nine of the last twelve games. According to Coach Richardson, "Total team defense was the key to this tremendous turnaround." Many of these Sophomores will continue their basketball careers at K-M as tough, competing Royals.

girls gymnastics

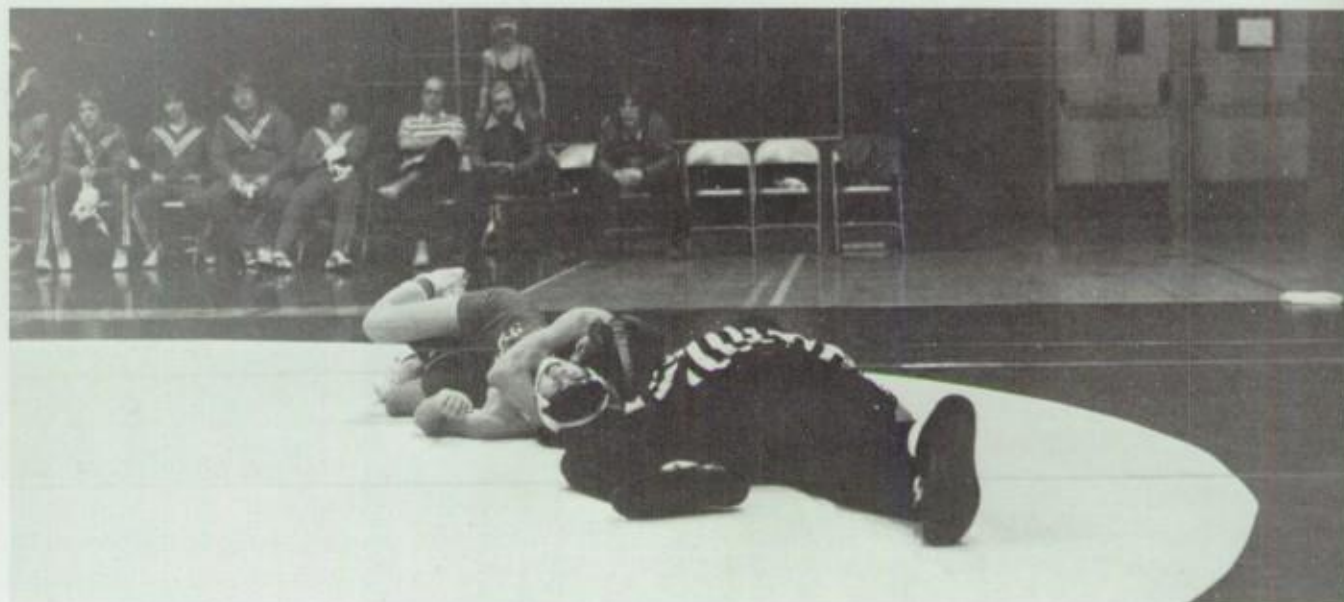

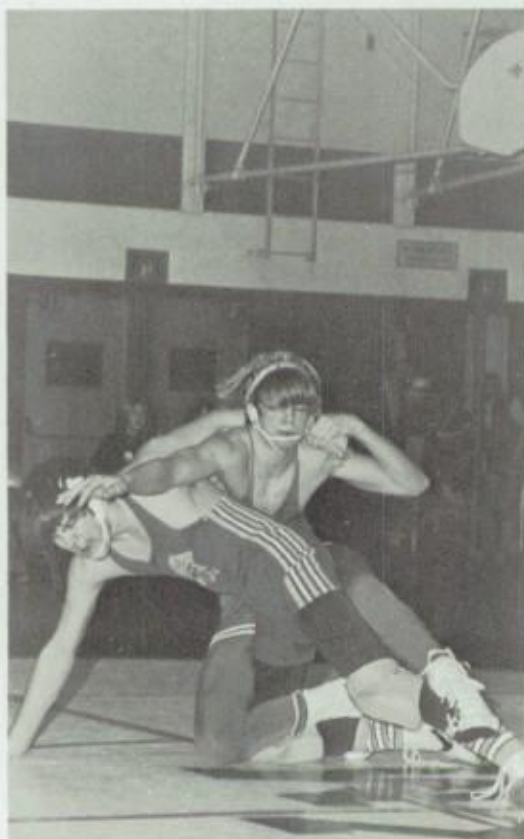

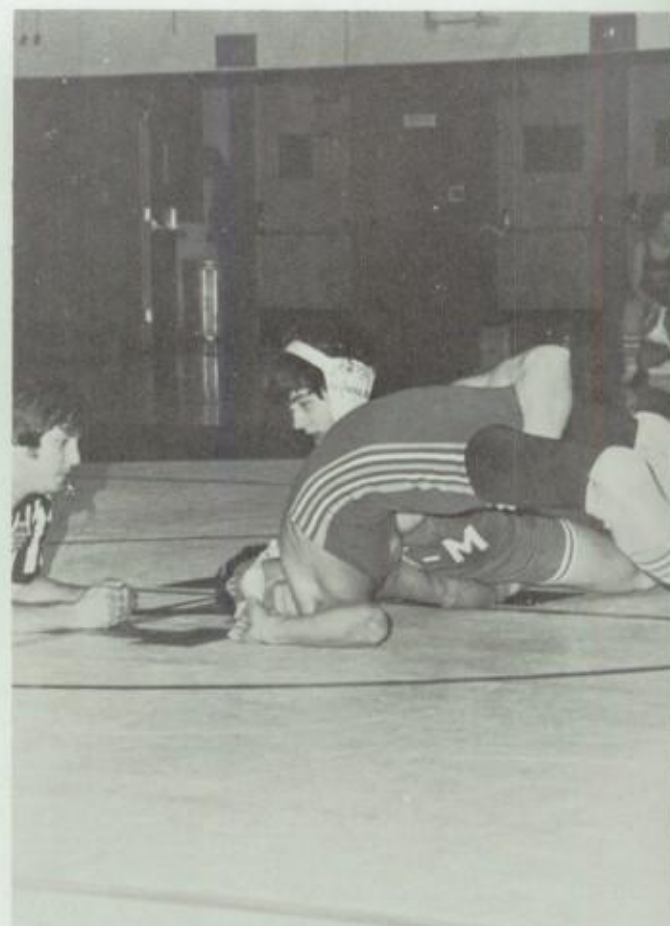

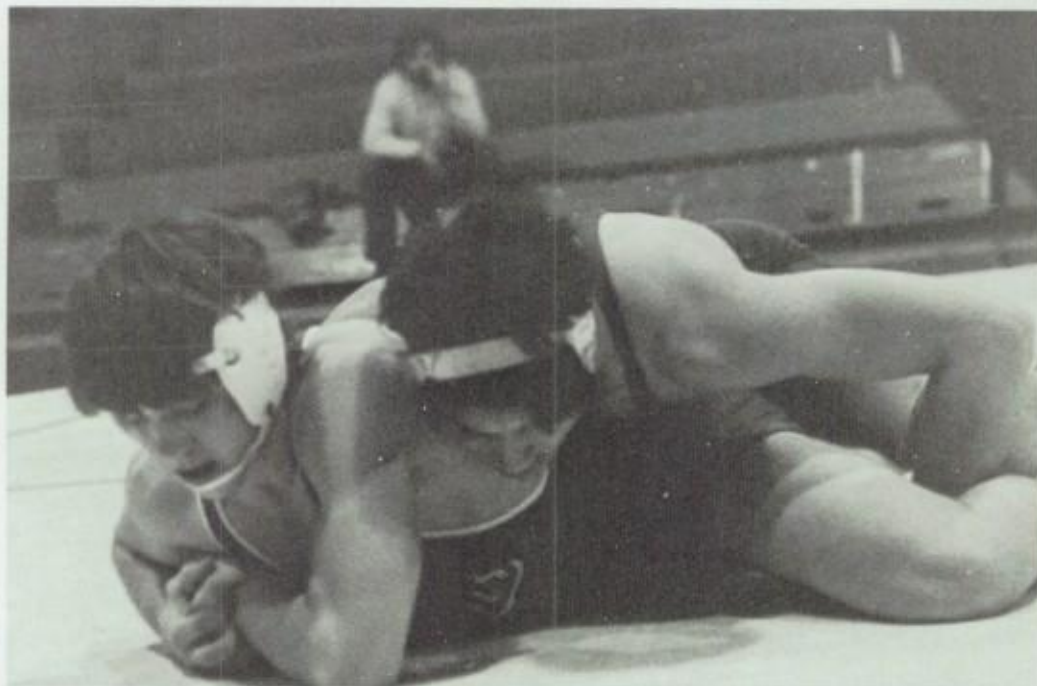

Completing a successful season under rookie coach Kim Roth, our girl gymnasts finished in third place in the NPSL. Paced by Regional qualifiers Donna Brown, Lisa More and Captain Kate Otey, our Royal gymnasts helped to make the winter sport's season a sparkling success. At the annual awards banquet Kim Maschmann and Teresa Kearns were voted Most Improved while Kate Otey received both the Inspirational and Don Heacox awards.

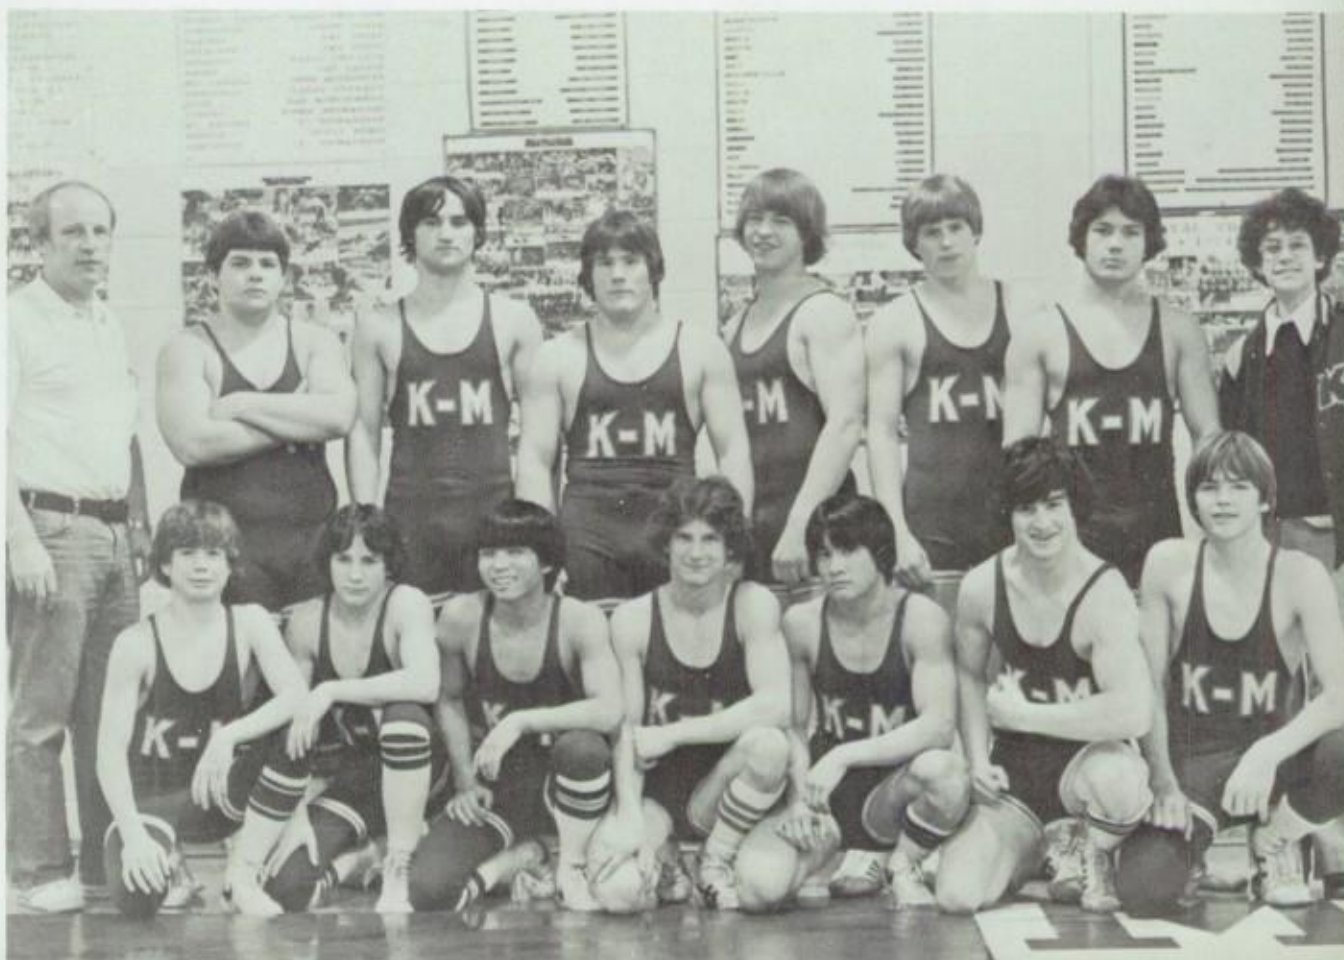

The following team members are pictured in the photo at left: Back row - Pam Gurno, Rikki Grier, Lisa More, Ginny Birge, Kate Otey, Sue Burrow, Deanna Nettleton and Donna Brown. Front row - Assistant Coach Alline Poole, Carol Preble, Teresa Kearns, Lisa Stevenson, Kim Maschmann, Lynn Kuhlman, Jodi Peters, Ann Sofie Einarsson and Coach Kim Roth. Seated - Kathy Primero.

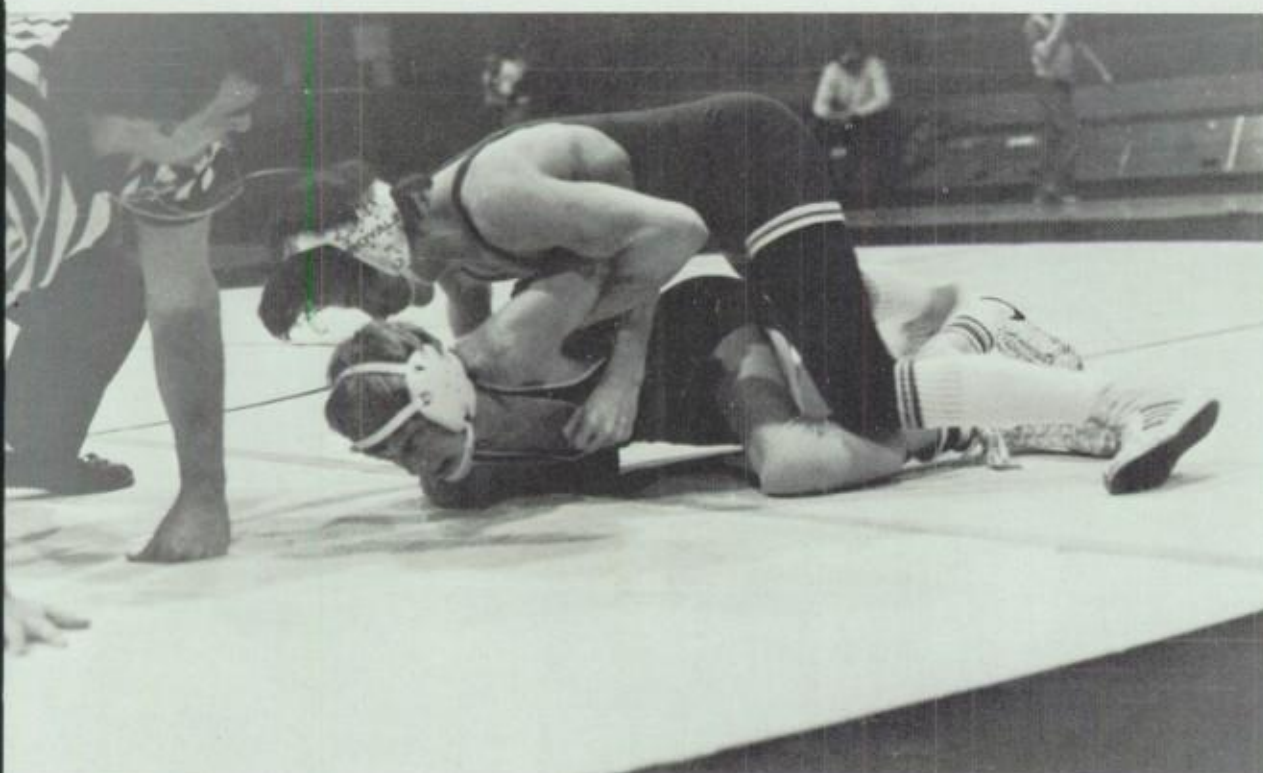

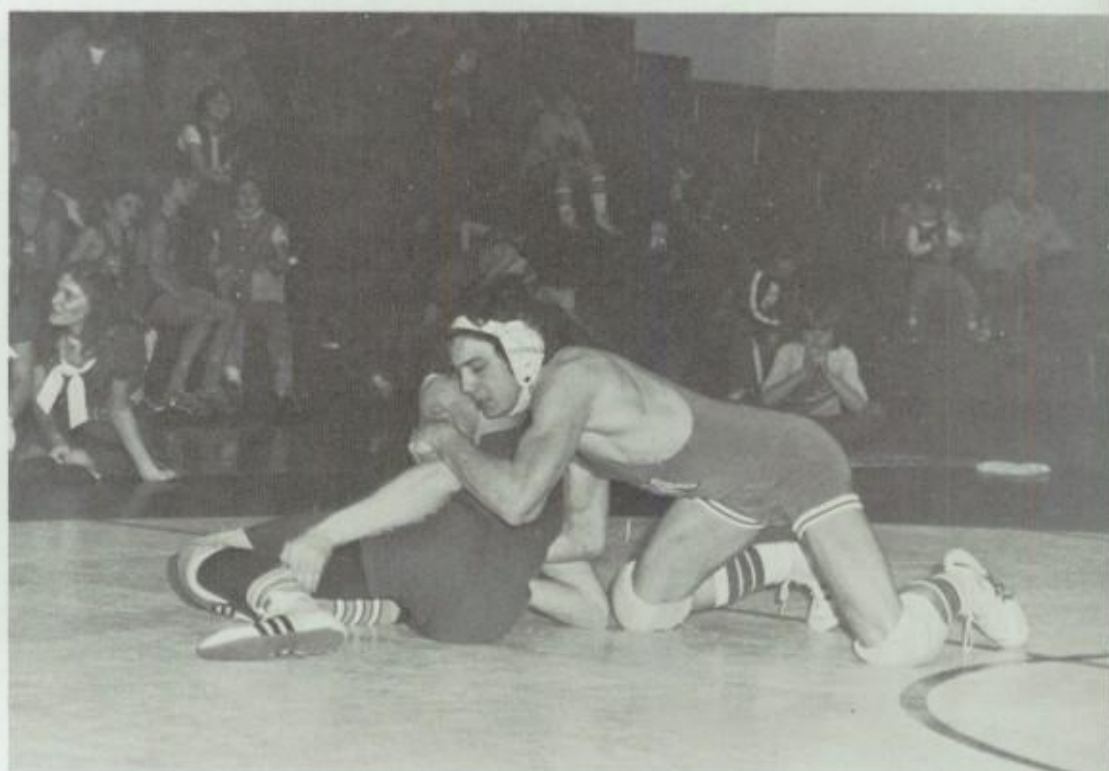

wrestling

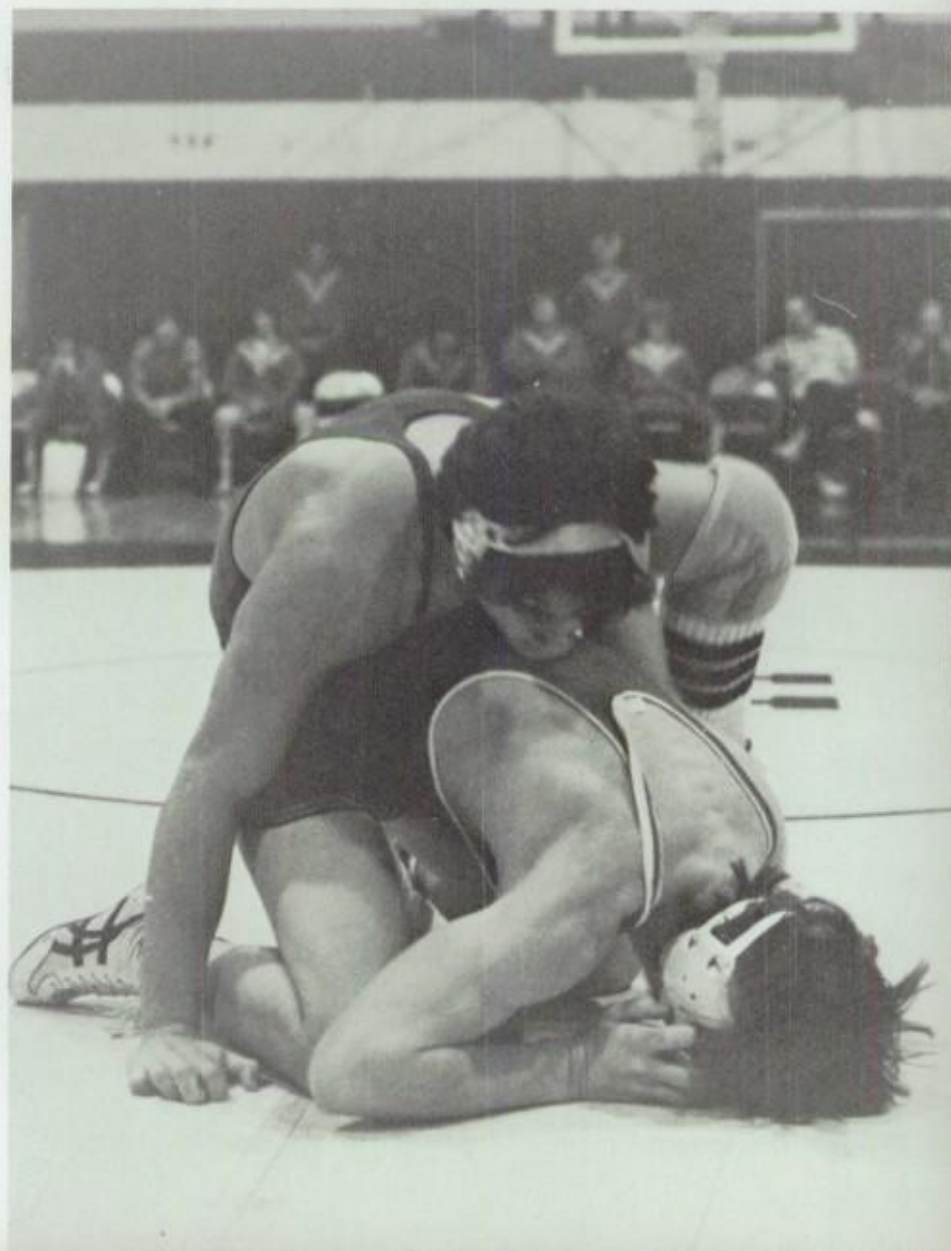

Pictured in the photo at right are the 1977-78 varsity wrestlers: Standing - Coach Dick Pruett, Daryl Robertson (UNL), Ken Knott (178), Toby Huyber (190), Dan Thompson (168), Kevin Johnson (158), Tony Capato (148) and Mark Raftis (manager). Kneeling - Kent Peterson (101), Dan Green (108), Brian Higa (115), Scott McIntosh (122), Dave Hiranaka (129), Brian Clark (139) and Toby Benedick (141).

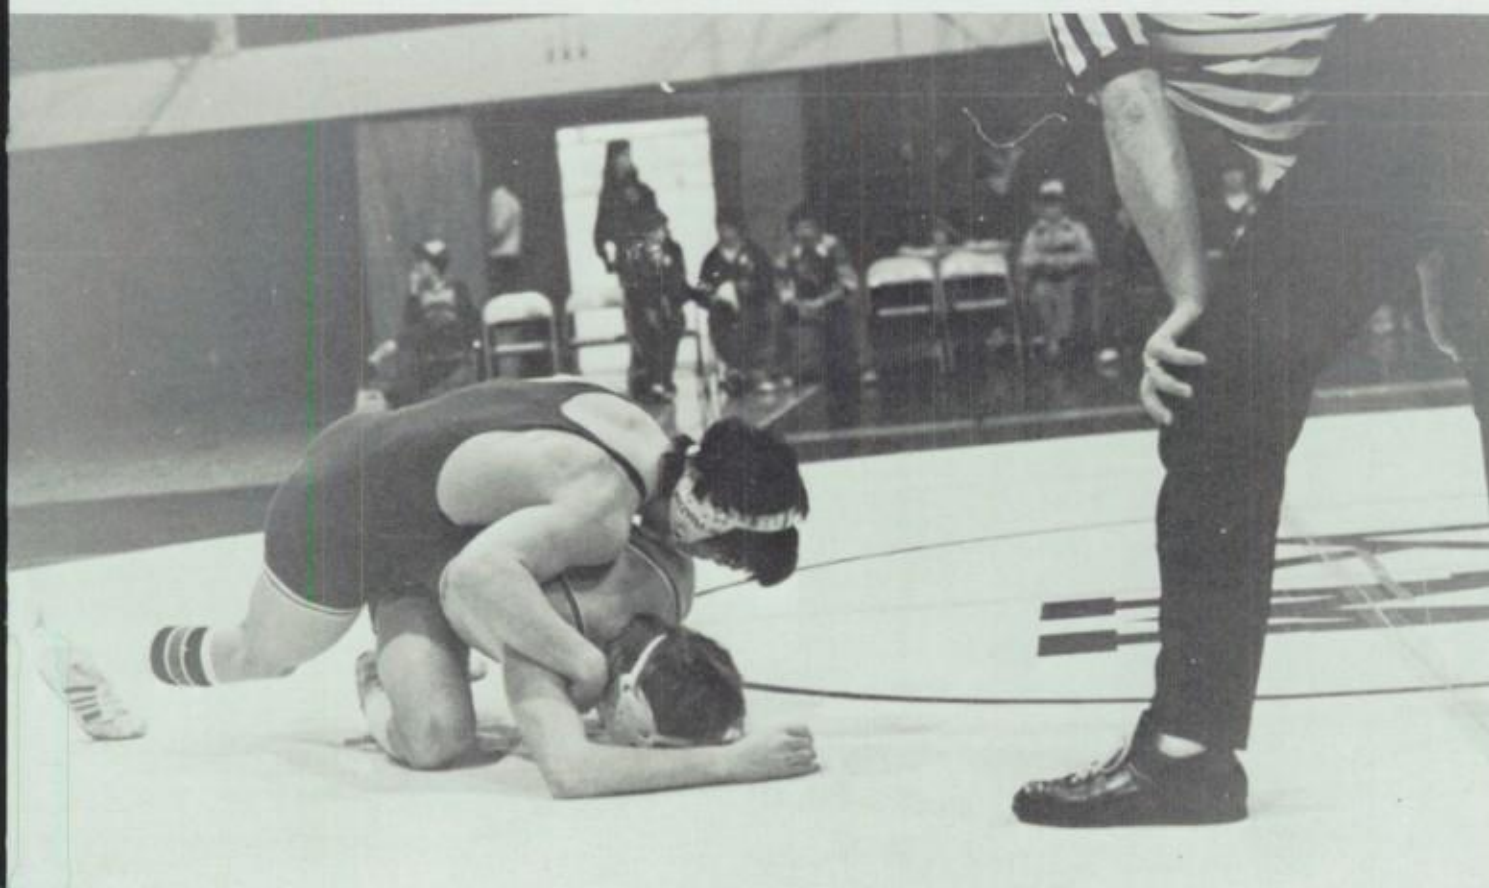

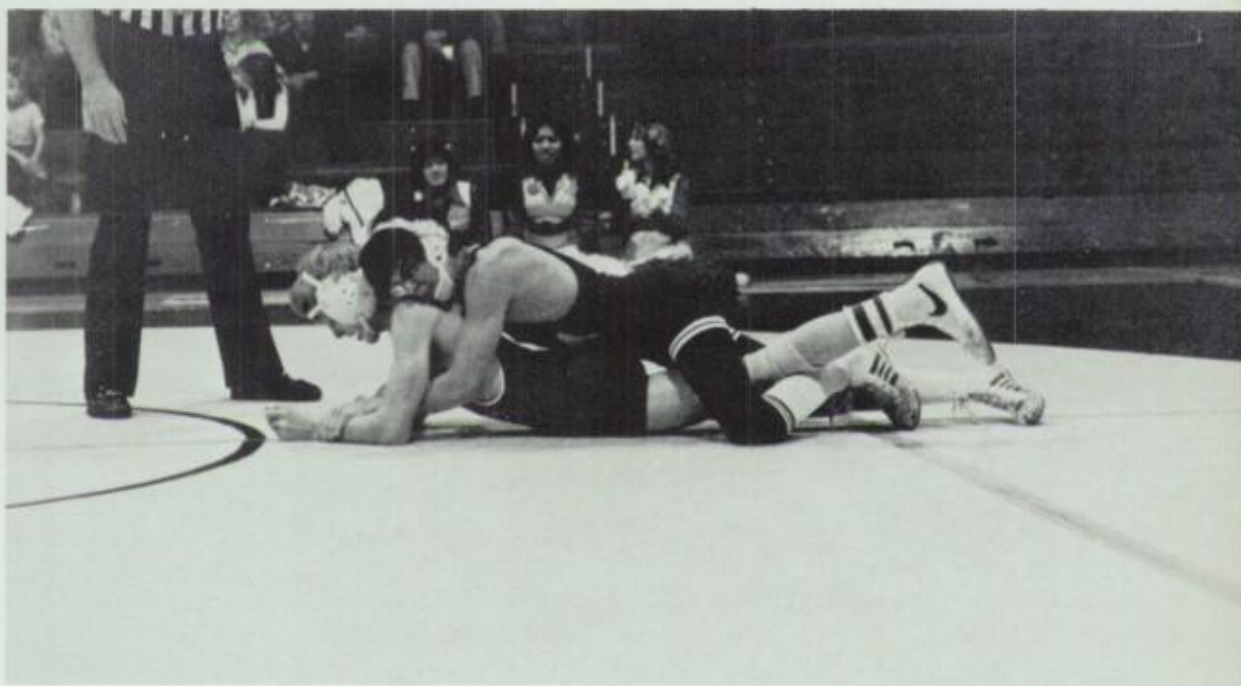

Continuing a long and proud tradition, the 1977-78 K-M wrestling squad posted another outstanding season. Our Royal grapplers were undefeated in league competition and chalked up a 15-1 record for the overall dual meet campaign. In addition to winning the NPSL championship, the K-M matmen also took first place in both the Lake Washington Takedown Tournament and the NPSL Sub-Regional. The Royals placed second at the Rogers Holiday Tournament and in Region II "AAA" competition. Outstanding individual performances were turned in by Brian Higa and Tony Capato, who each finished third at state in their respective weight divisions.

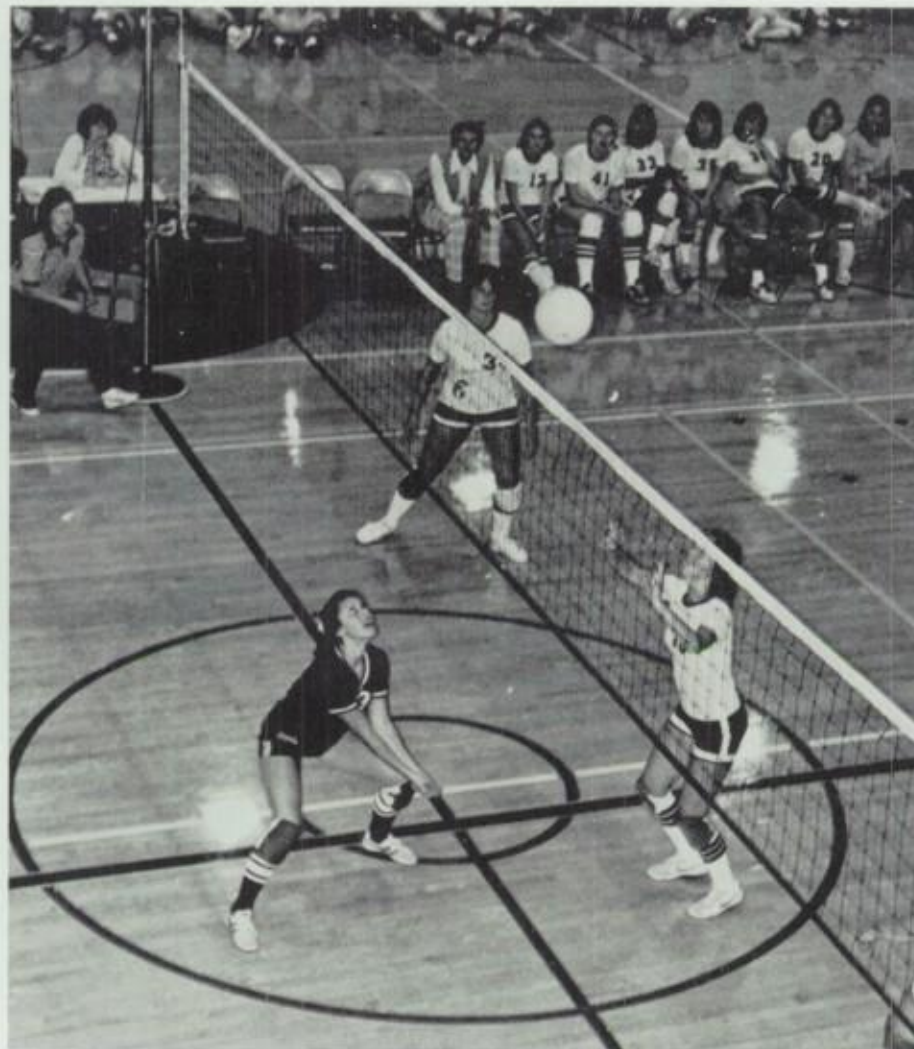

volleyball

Dominating girls volleyball has become a tradition at K-M, and this year was no exception. The Royal girls swept through league play on their way to a perfect undefeated record. Continuing their winning ways, the team captured its second straight West Central District title and gained a berth in the State Tournament. After suffering their first post-season setback in two years, the Royal spikers proved their great poise and team pride by bouncing back to take fourth place in State. Kent-Meridian fans and students are extremely proud of this year's team, and rightfully so!

Pictured left to right: Standing- Coach Leigh, Lynn Becker, Theresa Fifield, Gail Olivers, Dunyele Landis, Jackie Stansell, Kelly Sharkey, Patty Christen, Kristi Aberle, Pat Bensen, Judy Hogan, Kim Robbins, Coach Johnson. Kneeling- Sherleen Wood, Marcy Curran, Susan Webb, Rhonda Sims, Deb Otey, Lisa Rothleutner, Brenda Christen, Pam Tolas. Sitting- Kim Dehnert, Sheri Cole, Donna Brown, Trudy Wilson, Lisa Quam, Becky Stansell, Barb Anderson, Leah Grant, LeAnn Creeman.

Crosscountry

Determination overcoming acute pain, the runner gives all that's left in his weary frame and victoriously dashes across the finish line. Cross country is grueling and takes a special kind of devotion, but Coach Bloomquist believes a close and motivated group made this: "The best cross country team K-M has ever had." The truth of his words were proven when the boys qualified for State, the

first time in all of K-M's history!

The girls, though hurt by a late start, put out a lot of effort and improved while gaining experience. Made up primarily of sophomores and juniors, the girl harriers look forward to a good season next year.

golf

An enthusiastic turnout and outstanding effort made this year's golf team quite a success. Skillfully played matches resulted in high scores by team members throughout the season. Both individually and as a team their performance was well worth noticing. The amount of hard work shown was proof as to why the 1977 golf team did such a terrific job.

Pictured left to right: Back row- Brett Bakken, Randy Johanneck, Jon Deiglmeier, John Thompson, Dale Cosand, Coach Kramer. Front row- Mark Aslett, Robert Sparks, Marty Bandy, Mike Powers, Jeff Williams.

Dennis Johnson, Activities Coordinator

No school could exist without its faculty, and here at Kent-Meridian we feel we have one of the best. Dedicated to helping students grow both academically and personally, many teachers devote long hours beyond their regular classroom duties. It has been said, "A teacher affects eternity; he never knows where his influence stops." Here at K-M we believe that statement to be true.

Juniors

Juniors

The '77-'78 school year witnessed new additions to the impressive list of accomplishments already compiled by the class of '79. More students became involved in class activities than ever before, giving evidence that the constantly improving class spirit will exceed all expectations. By winning the hall decorating contest held during fall spirit week, this year's Juniors achieved the distinction of being the most spirited class. Fund-raising ideas gave a new focus to the goal of a Senior trip to Hawaii and the Junior class sponsored Tolo was a great success. Keeping in mind the growing spirit being generated by the class of '79, next year will certainly hold in store only the best for one of the finest group of students ever to attend K-M.

Pictured from left to right in the photo above are the 1977-78 Junior class officers: Joe Lombardini and Mary Primero (Representatives), Dave Walton (President), Connie Goodale and Jennifer Land (Representatives) and Sue Burrow (Secretary).

sophomores

Elected during the first weeks of school, Sophomore class officers don't get a headstart on planning their yearly activities. However, this need not be a handicap, as the class of '80 has proven. By creating greater student involvement and sponsoring numerous fund-raising projects, such as the Sadie Hawkins Dance, the Sophomore class has shown that they are really on the ball.

Pictured at right are the following Sophomore class officers: Back row - Vince Pool, Lois Sisk and Ty Graham (Representatives) Front row - Brenda Christen (President) and Jill Nelson (Secretary) Kneeling - Leann Hansen (Representative)

Pictured above from left to right are the 1977-78 ASB officers: Lynn Becker (Vice President), Jeanine Wales (Treasurer), Kim Strecker (President) and Pam Tolas (Secretary)

Involvement, enthusiasm and spirit are all key words for a successful school year, but who makes these things happen? Although many people contribute, our student body officers deserve a big share of the credit. One of the chief goals for this year is to develop better student-teacher relationships. To promote this objective, elective council members sponsored a highly successful faculty luncheon. (See photos above)

homecoming

Kim

From bobby socks and pony tails to hoop skirts and top hats, the 1977 Homecoming was a total success. The excitement of Homecoming was evident in the amount of enthusiasm the K-M student body displayed in decorating class halls and participating in the numerous festivities that Homecoming entails. The theme of this year's Homecoming, "Soft Lights and Southern Nights," was beautifully portrayed in the transformed decor of the cafeteria and the antebellum dresses of Homecoming royalty. "Big City" provided excellent entertainment for the many couples that enjoyed Kent-Meridian's Homecoming 1977.

super squad

A new dimension was added to K-M's activities department this year. It was an idea called Supersquad, a dramatic change from the traditional cheer-leading system. Supersquad was created to promote more school spirit and attract greater student involvement and participation throughout the school. Under the supervision of Diane Tullus and Denny Johnson, Supersquad had a super start in 1977. Although there were a few setbacks and some problems to overcome, everyone worked together to change K-M's atmosphere for the better. To the initiators, the perfect Supersquad is still a "dream", but hopefully in future years with enthusiastic cooperation on everyone's part, Supersquad will eventually become an active, successful reality.

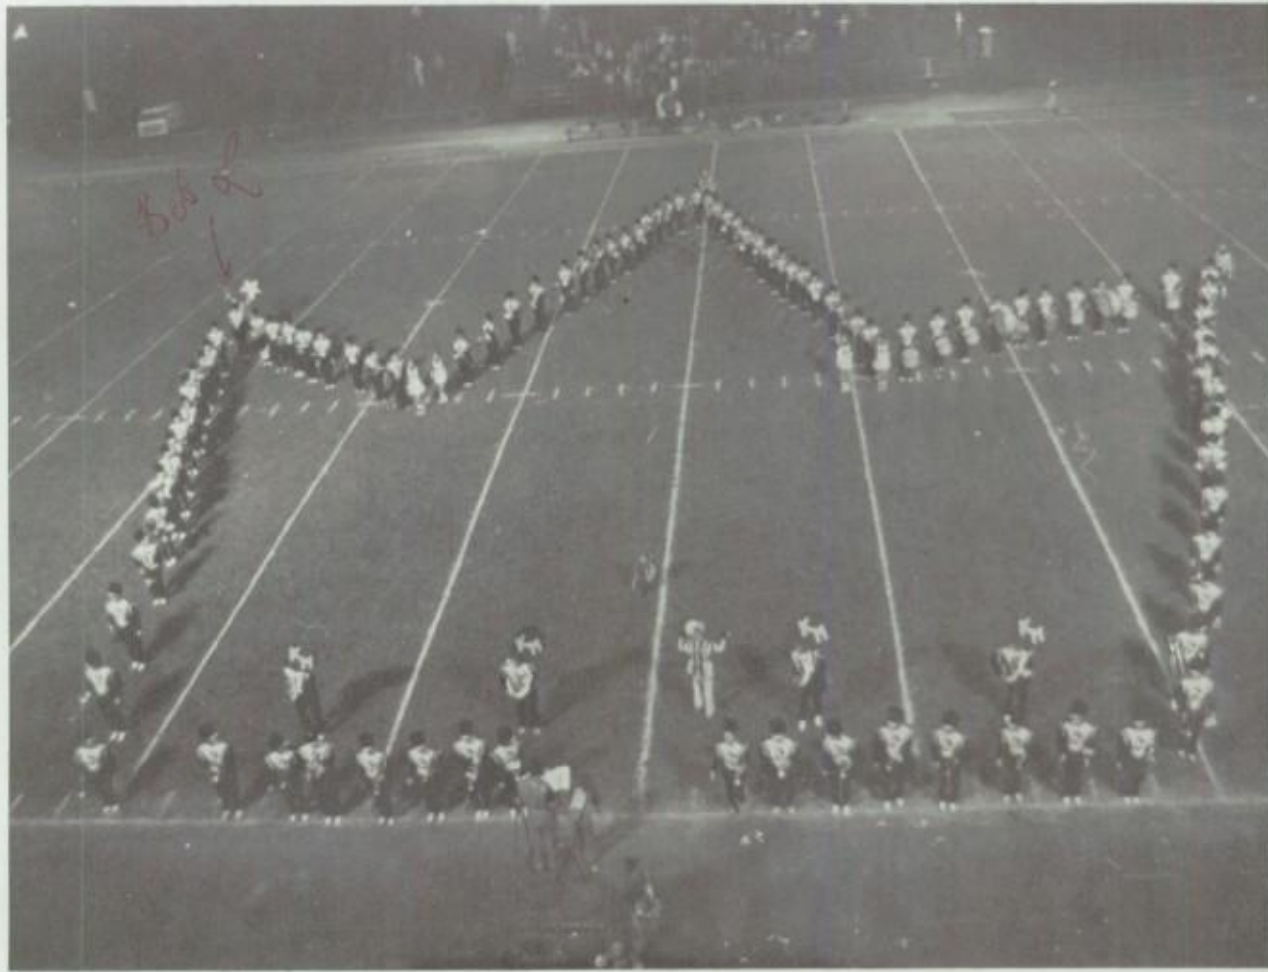

Pictured below from left to right are some of the members of this year's Supersquad: Back row - Paula Duquette, Connie Goodale, Laurie Higgins, Cindy Graber and Deanna Nettleton. Middle row - Michelle Tilley and Kerry Peterson. Front row - Dawn Robertson, Diane Navle and Patty Ferraro.

marching band

Many more activities are associated with football season than merely the sport itself. The Royal Marching Band participates at every home game to loyally support the team and raise the morale and spirit of players and fans. A football game would not be the same without pretty marching girls and so K-M has its six drum majorettes. A lot of practice and hard work go into the production of each pre-game and halftime show. Led by drum major Jesse Boyett, the band works together with Super-squad to put on some terrific performances. Directed by Mr. Hal Sherman and his assistants, Mr. Hartman and Mr. Hudson, this dedicated group of students adds the spice and flavor that makes our football games a more enjoyable event for everyone.

On Your Marks ... Get Set ... Go!! Now, the seniors with names starting from G-M jostle through the doors in their mad rush to register. Juniors and sophomores also participate in Tennis Shoe Registration which allows students to select classes and choose their own teachers. Tennis Shoe often turns out as a frenzied half-hour of rushing from teacher to teacher worrying about classes closing and schedules conflicting. However, the end result is usually a satisfied student content with his schedule.

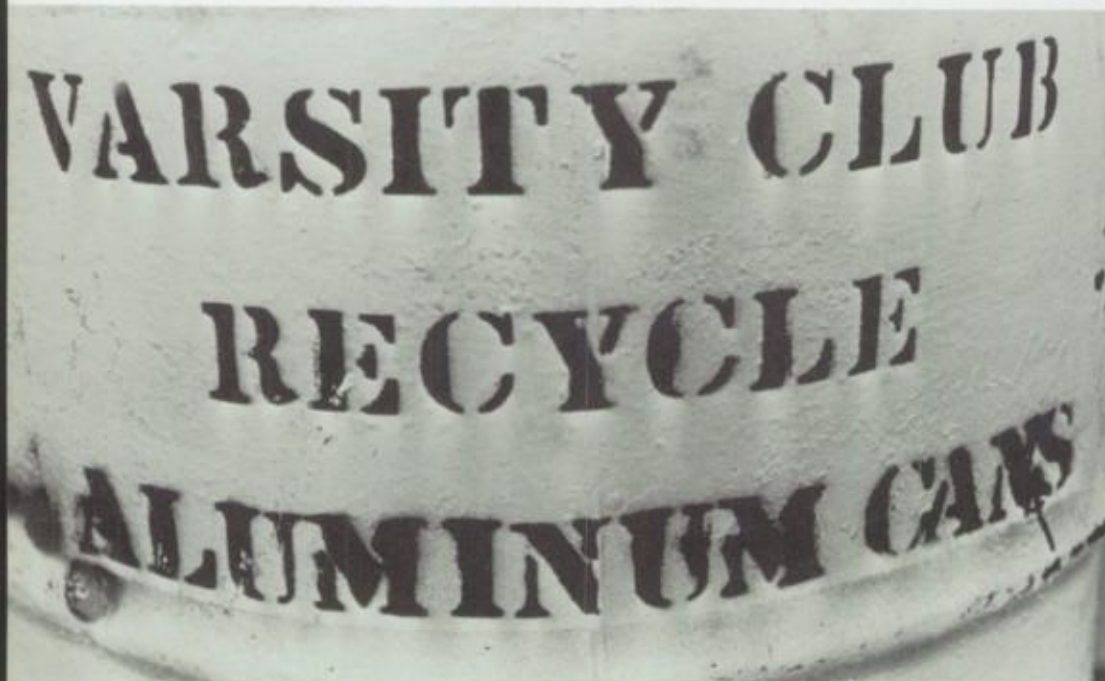

fashion show

On February 28 Elective Council sponsored a mid-winter fashion show. The ten Tolo finalists modeled tuxedos furnished by the Tux Shop. Their escorts also modeled 1978 Tolo fashions.

varsity club

Lettermen jackets, a familiar sight in K-M halls, have to be earned. Once a varsity team member letters in his/her sport he receives the honor of wearing a lettermen's jacket. By sponsoring sports related activities such as the "smoker", Varsity Club helps keep the sports program rolling. The following athletes served as 1977-78 K-M sport captains.

fire squad

While a firebell signals a stampede through the halls, it also signals our fire squad members into action. About twenty students make sure the building is evacuated and look to numerous other safety factors. Serving as advisor since 1954, Mr. Tommervik states that "Fire squad gives students valuable training and preparation for work in the fire department." Although they receive little credit for their efforts, fire squad members contribute to the safety and wellbeing of K-M.

Pictured in the photo at Left are the members of this year's fire squad: Back row - Mr. Bob Tommervik, Dave Warmenhoven, Brad Fugate, Laurie Patricelli, Mike Dunbar, Steve Miller and Beverly Millman. Front row - Steve Bleakley, Scott Gesinger, Craig Palmer, Lori Goeman and Dandi Gardner.

It was through snowflakes and cold weather that this year's audience came to see **The Spiral Staircase** on opening night. After months of work by cast and crew under the guidance of director Susan Scholtes, the play was ready for performance on Nov. 17th and continued through the 19th. The play, a "who dunnit" mystery, was quite a success, due primarily to the time and devotion put forth by all involved.

thespians

Developing poise, character and flexible speaking talents is what Thespians is all about. After obtaining 10 points which equals 100 work hours, a person becomes eligible for Thespian membership. This is quite an honor since it is an International Drama Organization. The club's name dates back to 400 B.C. when a Greek playwright named Thespis won recognition for initiating individual acting among the chorus line. Thespians provides both useful skills and lots of enjoyment for its members.

Featuring one of the youngest debate teams in recent memory, it is not surprising that the Royals had their greatest success this year in the Junior Division. The Novice teams of Brenda Christen - Ellen Dona and Todd Dowell - Tim Baskin each won awards in several tournaments. Jackie Becvar also performed extremely well in oral interpretation. With such talent on the horizon, the future of K-M debate indeed appears promising.

Pictured above from left to right are the following members of the 1977-78 Royal debate squad: Standing - Coach Bill Montgomery, Jim Pogue, Tim Baskin, Todd Dowell, Ty Hanson, Eric Miller, Challis Kelly and Assistant Coach Dan Kelleher. Seated - Ellen Dona, Brenda Christen, Lois Sisk, Sheryl Wescott, Jackie Becvar and Laurie Jones.

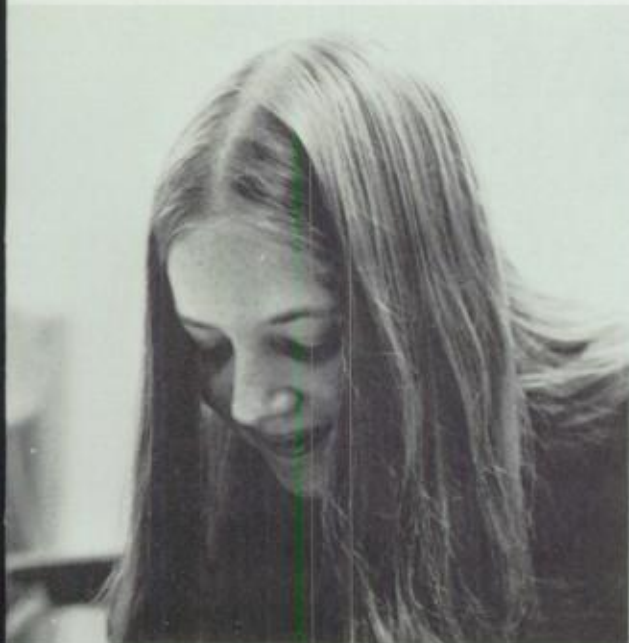

youth legislature

1978 marks K-M's fourth year of participation in the YMCA Washington State Youth Legislature. A key purpose of this program is to promote leadership training and provide students with the opportunity to get involved in the actual process of government. A series of legislative assemblies are held each spring, culminating in a student "take-over" of the State Capitol Building for four days. It is not unusual to see the state legislature pass some of the same bills which the students had earlier proposed.

Pictured below from left to right are the following group members: Brad Espariza, Heidi Olson, Mr. Bill Montgomery (Advisor), Pete Lamberty and Ron Schultz.

torch honor

Often envisioned as diligent scholars scurrying about with volumes of books and peering out from behind thick hornrimmed glasses, Torch Honor members are actually those K-M students with a 3.2 GPA or better. Not always stationed behind piles of books, Torch Honor members enjoy pizza parties, sell dill pickles and take spring outings.

Pictured below are the following club members: Back Row: Keith Ladderud, Dave McCullough, Mr. Linburg (Advisor) Middle Row: Dawn Vidmar, Amy Towne, Tina Bryant, Katherine McHugh (President) Front: Kate Otey

foreign exchange

A jumble of languages and phrases escape as foreign exchange members enthusiastically plan an International Plant Sale. Other plans include Christmas caroling in five different languages, progressive dinners complete with pinata and Lebanese meatballs, and a foreign exchange weekend. In this way, the club provides a rich cultural experience as K. M. students get to know people from diverse backgrounds. It is important for our visiting students from other lands to feel a sense of belonging in our school and country; foreign exchange tries to create this atmosphere.

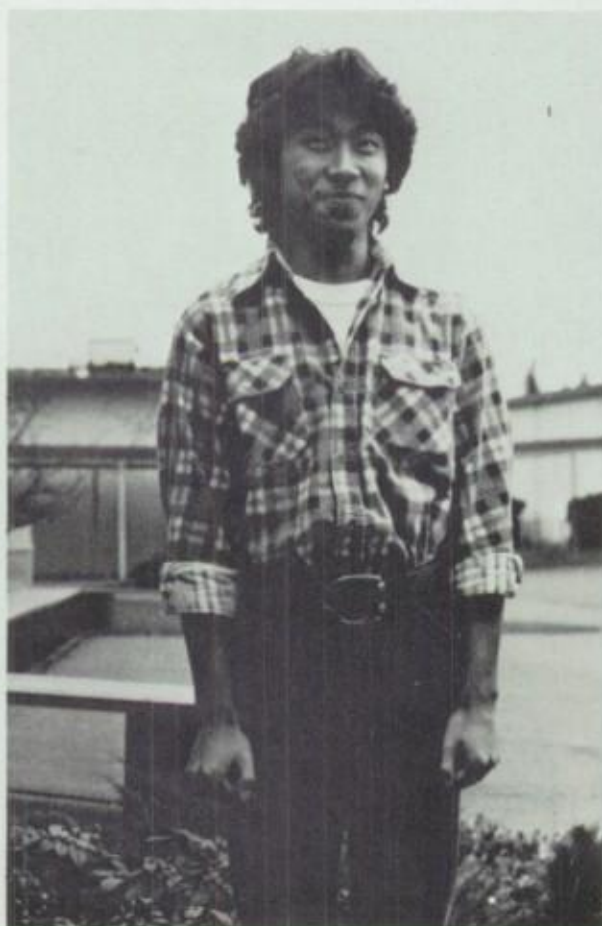

Pictured at right are the members of this year's Foreign-Exchange Club: Back row - Mrs. Lathrop, Mary Gould, Laurie Martos, Peggy Taylor, Cindy Svalstedt, Sue Vance, Mrs. Dreblow and Lynn Briest. Middle row - Lynn Kuhlman, Carol Warren, Marie Yi, Annette Fackler, Barbara Yi, Laura Kemp and Kevin Shoemaker. Front row - Jack Rueter, Anita Duske, Dawn Vidmar, Lee Anne Hansen, Alex Rodriguez and Barbie Berge (President).

Pictured above from left to right are the following foreign exchange students: Standing - Luis Cordon, Alex Rodriguez, Anne Sophia Einarsson and Ryoji Suganuma. Kneeling - Christiana Antoniak, Mayumi Nakagawa and Blanca Ureta.

A vibrant Heg!
Guten Tag!
Konnichiwa!

Ole! greet you from our foreign exchange students. While English may not be their most fluent language, they would like to share some of their impressions.

Anne Sophia Einarsson, from Sweden "This country is pretty and all the people are so nice. First everything was so different from home, but now I have gotten into the American life. I have started to love your peanutbutter."

Christiana Antoniak, from Germany - "It's neat here; I like it. I look forward to living here."

Mayumi Nakagawa, from Japan - "The clothes are very different; in Japan we wear uniforms! I like K-M; it's very nice."

Ryoji Suganima, from Japan - "The language was very difficult for me to learn. I like the disco sound."

Alex Rodriguez, from Mexico - "I like the school method because we have the chance to express our opinions, and we meet many more people."

Luis Cordon, from Guatemala - "The people are very nice here; most of them are lovely."

Blanca Ureta, from Guatemala - "The most impressive thing I found here was snow, because in Guatemala we don't have it. It is different and I love it."

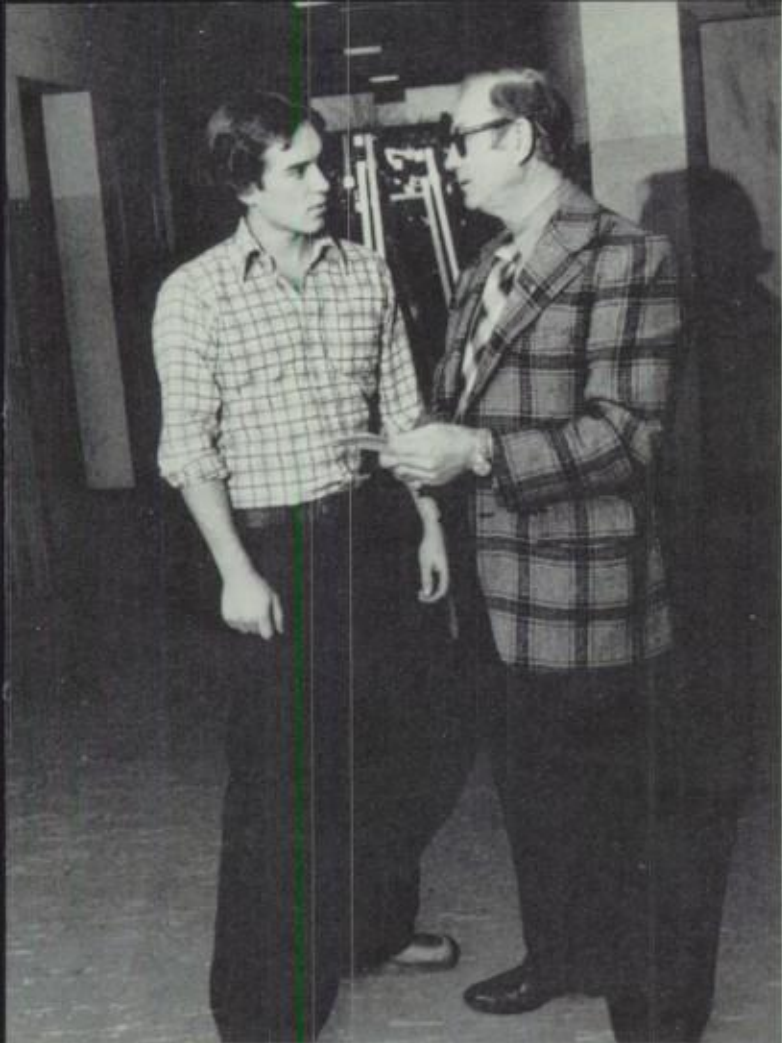

sp-aides

While we all realize that there are many physically and mentally handicapped persons within our community, we do not often realize the importance of communicating with these very special people. That's what Sp-Aides (Special Aides) is all about-Communicating. Sponsored by the Kent Kiwanis Club and under the supervision of Ron Mowe and Suzette Allen the Sp-Aides Club has become a valuable service to both K-M and the Kent community. In the words of President Kathy Bell, "The growth in Sp-Aides is mutual. While we are helping some very special people, they in turn are teaching us many things about ourselves."

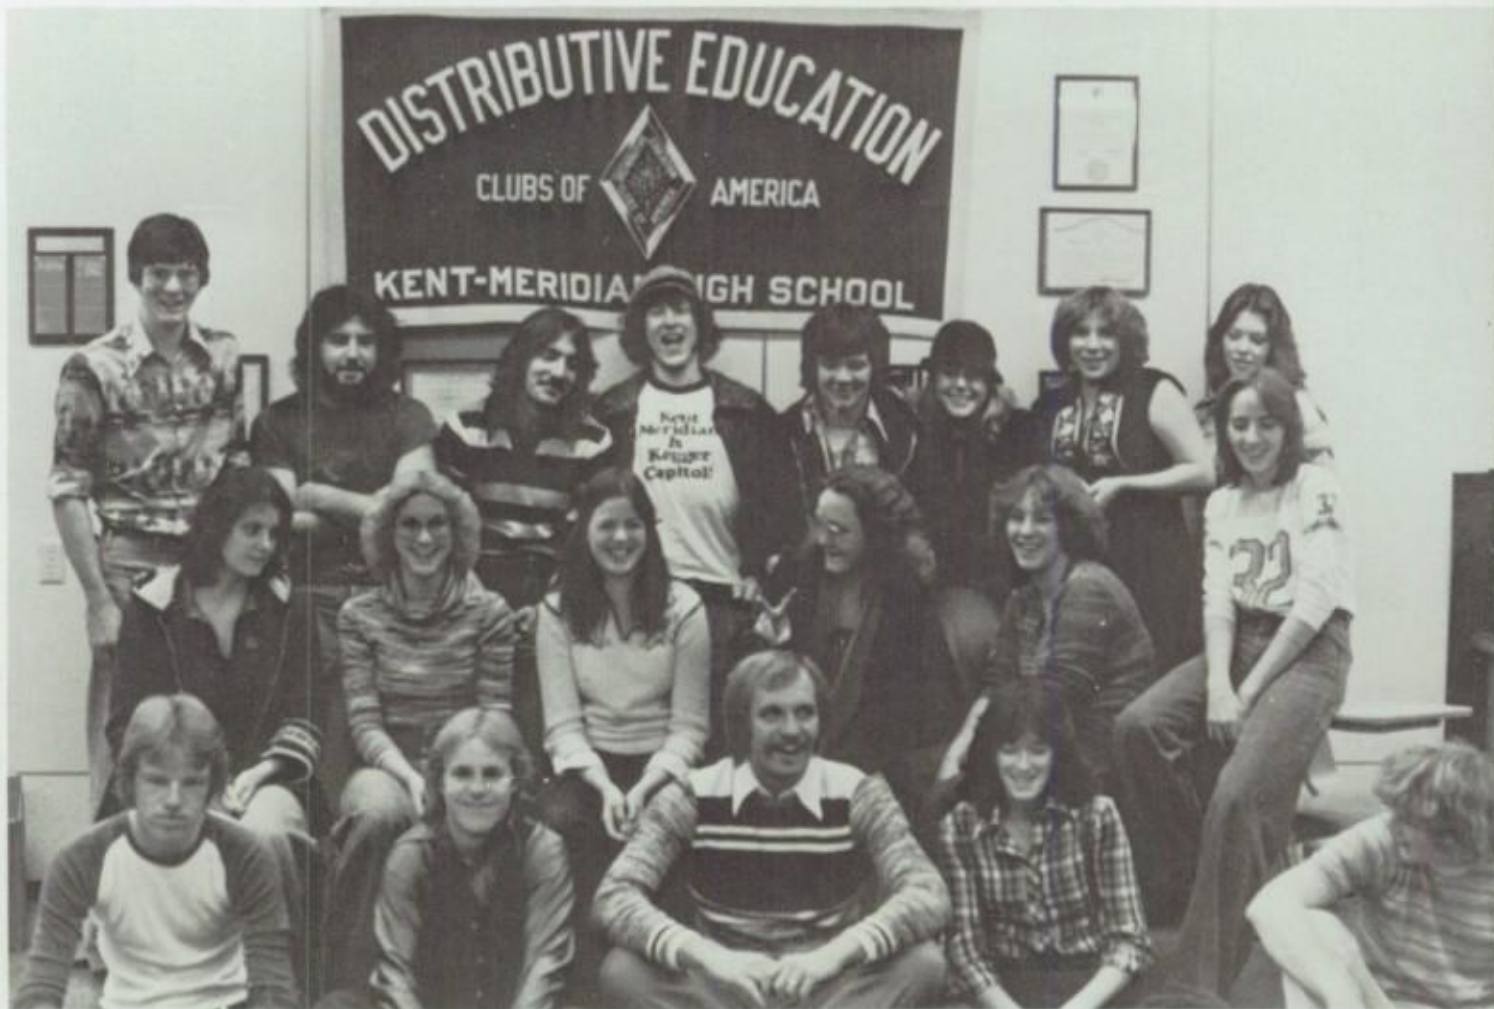

key club

Since its beginning in 1967, K-M's Key Club has been promoting both community and school functions. Sponsored by the Kent Kiwanis Club, with Ron Mowe acting as advisor, Key Club has become quite active, winning numerous trophies at N. W. Conventions. The ambitious members are what truly make Key Club a successful service organization.

deca

Do you want to prepare yourself for a career in the business world of today? Then consider joining DECA, one of K-M's most practical and popular organizations. K-M DECA students not only learn such topics as the principles of management and how to conduct a retail sales operation, but they also gain actual work experience in marketing and distribution. Boasting one of the most active chapters in the state association, our K-M DECA club does a superior job of developing future leaders for the business community.

ffa

FFA is a diverse group made up of about 80 members from agriculture, horticulture, and forestry classes. Their activities range from livestock exhibitions to plant shows and even logging-rodeos. There are frequent opportunities as many students get a chance to participate in public speaking, parliamentary procedure, leadership camps, and state awards. FFA provides a wide range of learning experiences that will benefit many of its members in future years.

VICA

VICA is designed to help students develop leadership skills through actual work experience. The group involves itself in vocational projects such as creative cookery, welding, drafting, electronics, auto mechanics and woodworking. This year the club was proud to have as a member State VICA President Judi Lindgren. (pictured below) and State VICA Advisor, Joe Venera. The annual Christmas tree sale was again very successful in providing funds for district and state competition. The 1978 officers are as follows: President - Jon Sargeant, Vice-President - Jeff Foster, Secretary - Beth St. Clair, Treasurer - Bob Stafford, Reporter - Tracy Van Hee, Parliamentarian - Rob Shuey.

The Royal Cycling Club got off to a rolling start this year with an increase of members and activities. Riding in two man teams, the cyclists started the year with a time trial along the Green River. Day rides after school were also numerous, and many members rode their bikes to school. Highlights of the year included several overnight trips to the San Juan Islands and Fort Flagler State Park. In addition to riding, the cyclists also adjust and repair their bikes, using tools owned by the club. The K-M Cycling Club plans to continue its activities after school is out with a three week trip to Oregon or Canada.

rod and gun

Have you ever looked down the barrel of a shotgun at point-blank range? As George House demonstrates in the picture below, you may get that dubious opportunity if you join the Royal Rod and Gun Club. In a more serious vein, members are taught the principles of wildlife management, conservation and firearm safety. Trophies and ribbons are awarded for competitive excellence in trap-shooting. Other activities include viewing films, hearing lectures by sports experts, and participating in mutual interests such as archery and steelheading.

The Kent-Meridian Chapter of the Future Business Leaders of America provides an opportunity for students to develop leadership, business skills, and career goals. FBLA members are involved in many community and school services which include hosting a Donkey Basketball Game and participating as Santa helpers at the Kent Chamber of Commerce Santa Claus House. The chapter members also collected PTA dues and donations for the United Way Campaign.

The Fall Leadership Conference and the Regional Mini-Conference were directed by the Washington State Northwest Regional Vice-President, Kim Laird, of the Kent-Meridian Chapter. Members attended the Mini-Conference in March in order to better prepare for the State Conference in April. FBLA members participated in contests covering a variety of business-related subjects. The highlight of the 1977-78 school year was the National Leadership Conference held in San Francisco, California.

The hard work of the Junior Class really paid off on March 4 when the 1978 Tolo commenced at 8:30 P.M. Deuces Wild provided excellent music for the 140 couples that enjoyed a real "Night on the Town".

casting a symphonic spell

Abundant musical talent can best describe this year's Symphonic Band. The musicians have blossomed to form a group that excels in playing pieces requiring a musical maturity beyond their years. The group performed at the seasonal concerts and the annual Canadian excursion, as well as a special concert at Western Washington University. The spring tour of high schools in British Columbia involved a mixture of performing and sightseeing that provided each band member with both valuable experience and fun.

aiming for the top

The best stage band ever to play at K-M was assembled this year. The juniors and sophomores that composed this group performed in all jazz concerts and in a special invitational performance at Clark College. These musicians used this year as a stepping stone to the realization of every jazz instrumentalist's dream at K-M — to earn the right to play in the top jazz group.

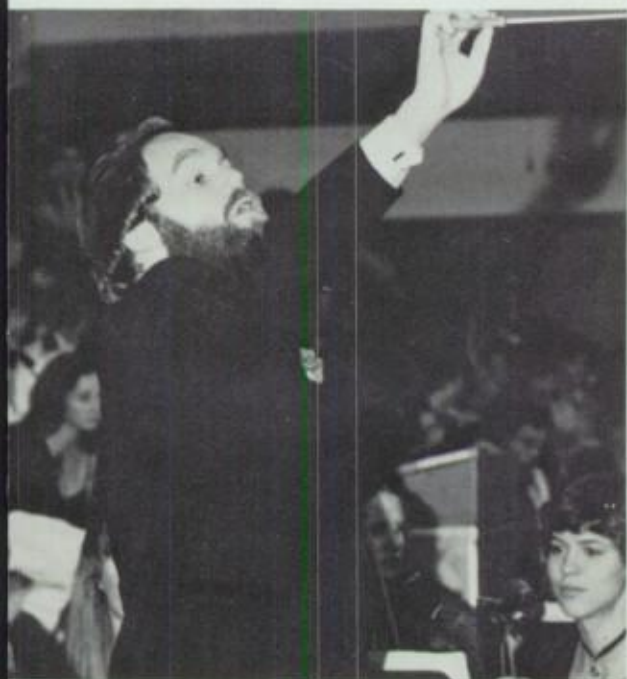

The 1977-78 jazz group once again carries on the tradition of excellence at Kent-Meridian. Music educators throughout North America honored the Jazz Ensemble with invitations to the British Columbia Music Educators Conference and to the National Music Educators Conference in Chicago. Along with the seasonal concerts, our Jazz Ensemble performed for several other high schools. Both the community and the student body is proud of the Jazz Ensemble's achievements-holding true their distinction as one of the finest high school jazz bands in the nation.

...and all that jazz!

all strings attached

Continuing its program of community awareness, the 1977-78 Orchestra performed for several civic groups. Concerts were held at the Carco Theater that featured guest soloists and provided entertainment for music lovers from throughout the area. All the hours put in by these musicians will be rewarded in the form of a summer concert-sightseeing tour on a three week excursion in Europe.

Brad,
I don't know
you except
for the little
I've seen of
you in choir.

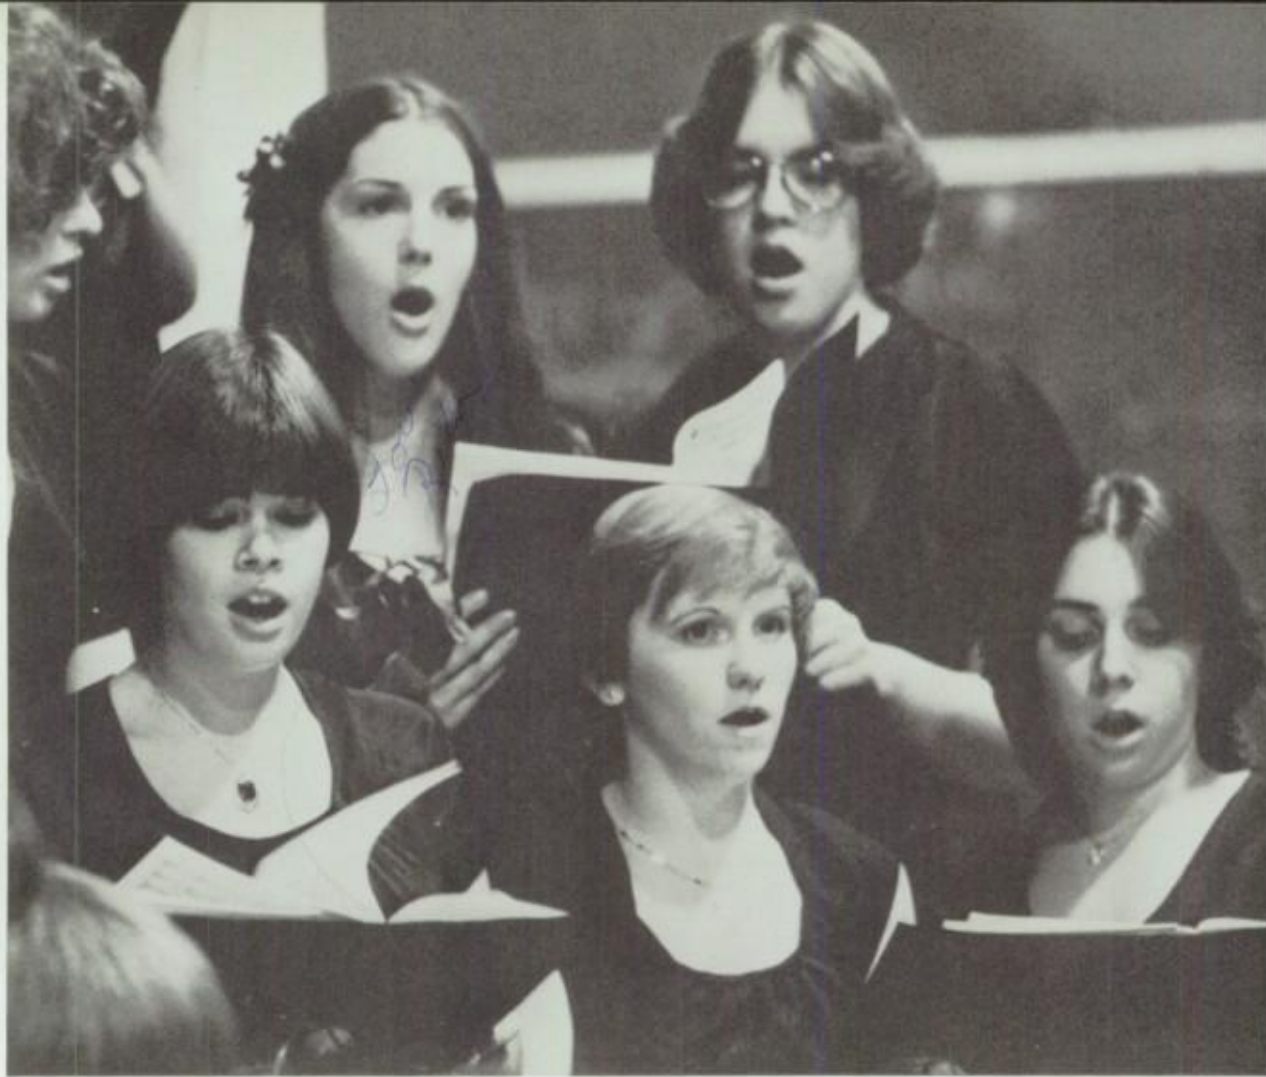

Hope you have a super
Summer & see you next
year.

Putting together a group of over seventy voices and molding them into a choir is a task not to be taken lightly. Cooperation from every member is essential if the group is to be a success - and it was a success. Performances this year included special invitations to sing at Southcenter Shopping Mall and the Washington Plaza Hotel, as well as the regular concerts. It was a hectic year, but the finished product-a fine choir-did an outstanding job in representing Kent-Meridian.

concert band

Preparation for the advanced music groups at K-M begins at the Concert Band level. These sophomores and juniors form the backbone of the music program. Without them, there would be no foundation on which to build. The hard work and stamina of this group was rewarded by a springtime trip to Victoria where the students enjoyed a blend of performance and pleasure.

looking ahead

It takes a lot of dedication to be a member of girls choir. These ladies put in many hours of hard work in preparation for the seasonal concert performances. In addition, each girl is working for a chance to move up to one of the more advanced choirs. With a year of learning and valuable experience behind them the girls choir members have developed useful skills for the future.

carco theater

The audience hushed with expectation as the lights dimmed in the plush Carco Theater on March 8, which marked the night of the K-M orchestra's second annual community concert. With a variety of orchestral music ranging from a moving ballad and Mussorgsky's awesome "Pictures at an Exhibition" to a lively violin duet and quartet, it was a very exciting evening. The entire orchestra played enthusiastically and the audience responded likewise.

swing choir

To go to Europe! Throughout the year K-M Swing Choir members have kept their eyes riveted on this goal. Touring and performing in Germany is the chance of a lifetime for any musician and, without a doubt, all the work was worth the trouble. But that's not all - other performances included a trip to Canada for a jazz choir contest and seasonal jazz concerts held at K-M. All things considered, the group that represented Kent-Meridian on the other side of the world was worthy of its distinction to be assembled here.

opera house

Many factors made this year's Opera House Jazz Festival VI the most successful one of all. The selection of bands provided an excellent mixture of musical tastes which created a swingin' atmosphere. A complete sellout eight hours before the concert also contributed to the electricity which ran through the crowd. Together with the precise organization and enthusiasm of many students and particularly one man, Hal Sherman, the Jazz Festival VI marks the better half of a decade during which Kent-Meridian High School has brought jazz excellence to the Pacific Northwest.

Hot off the press the Royal Herald is distributed to awaiting K-M students, containing news of the many happenings within the school. Staff members learn interviewing, writing and reporting skills that will enable them to communicate their ideas. Despite the crunch of deadlines that always hovers about them, our Royal Herald staff never fails to get the news to us on time.

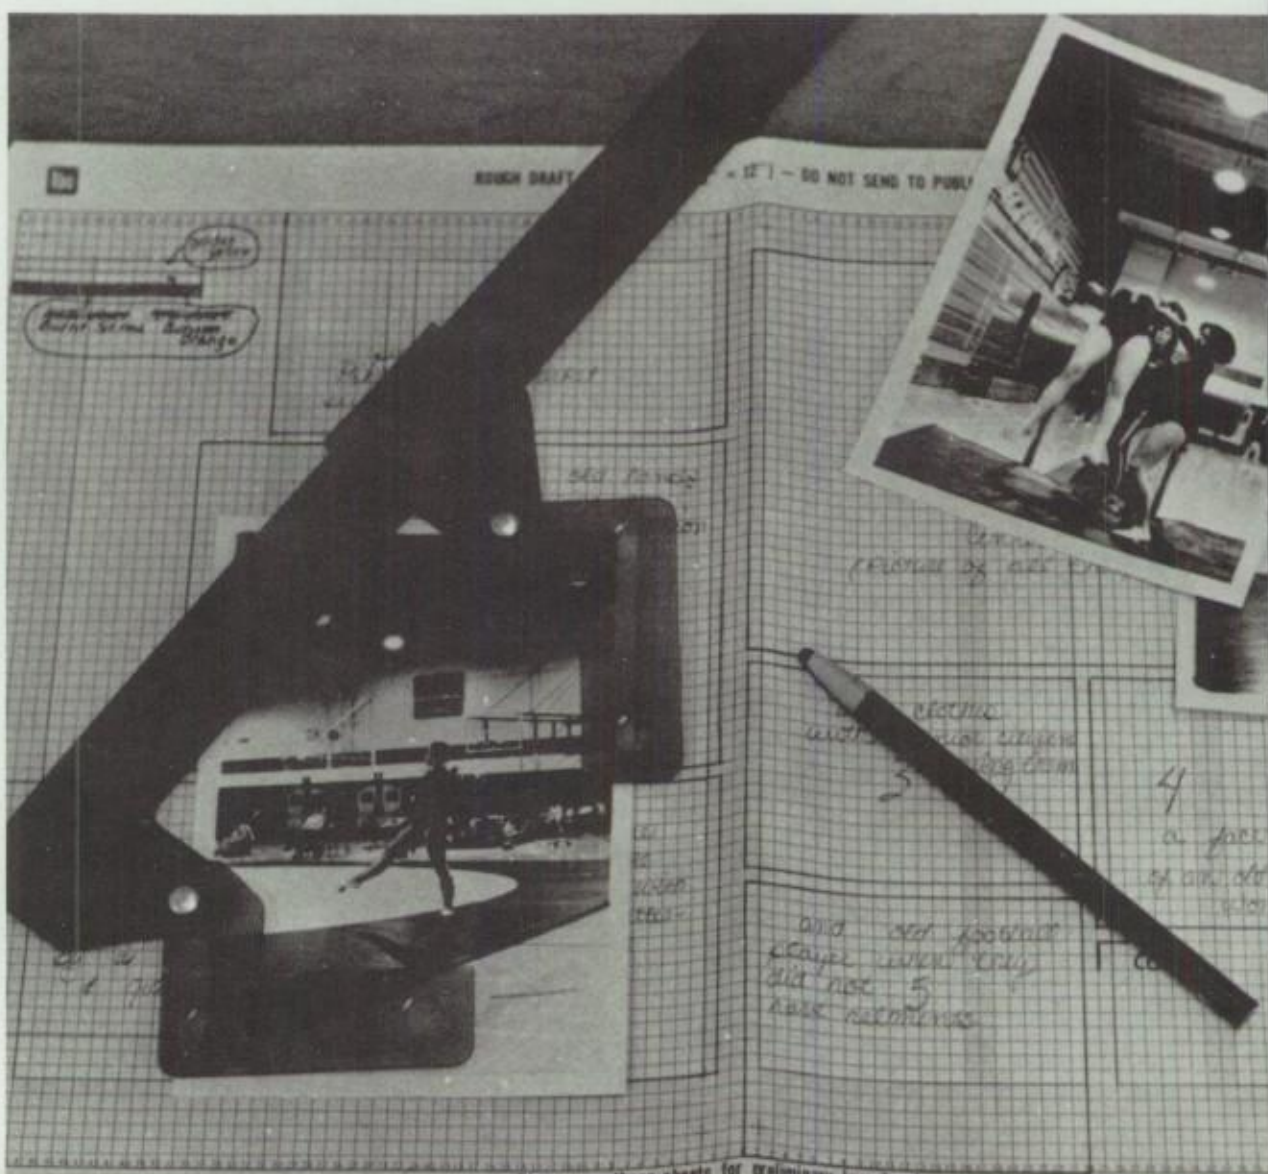

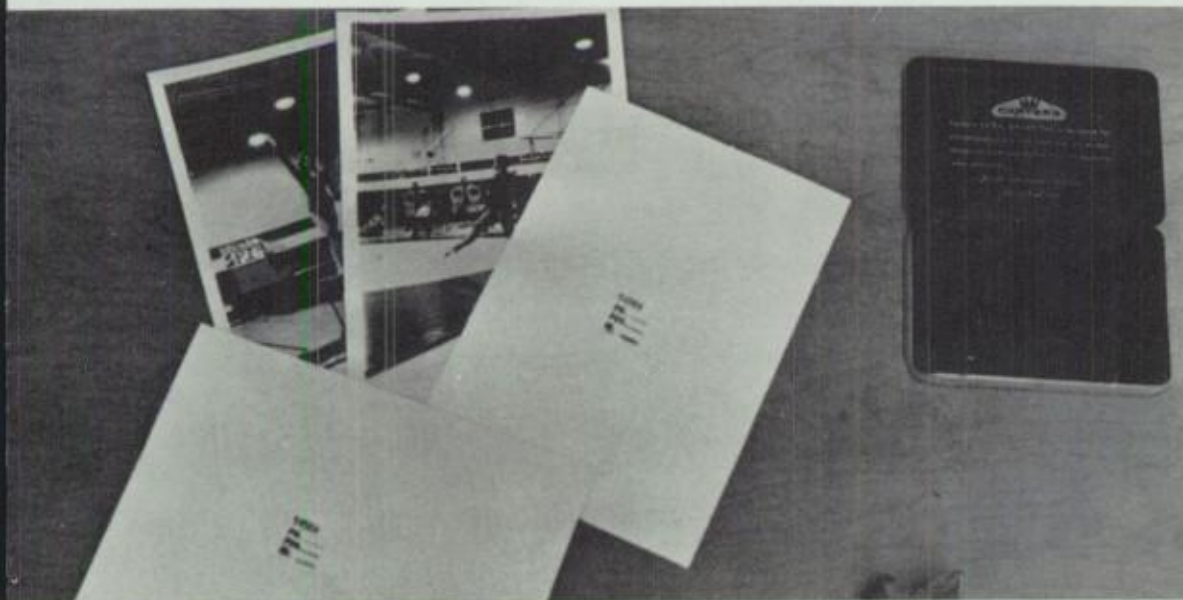

annual

Football games, formal dances, Jazz Ensemble, and classmates' faces, bound together by a silkscreen cover. A single two-hundred page volume equalling one full school year at Kent-Meridian. The seemingly impossible task of assembling symbolic events and the people who make those events happen is left to the K-M annual staff. Frantic last minute scurrying, slow methodical planning, and hours of tedious overtime work are all special parts of capturing the 180 days that turn into memories too soon. With the hope that this yearbook will remain one of your most cherished symbols of high school memories, the 1978 annual staff gives their book to you.

When there are at least 300 seniors participating out of a graduating class of 542 it's called "INVOLVEMENT". Besides caroling in the rain to win the Christmas food drive, the senior class also held a movie which broke all previous attendance records. Along with numerous other activities and projects the Class of '78 made their last year at K-M their best.

Brad,
It was
great having
you in choir!
I know we are
going to have a
terrific time this
summer in Germany. I
so excited about it!! I have
a great year - and stay as
sweet as you are!!
Love,
Peta
Dann

I hope ya have
a great summer
your friend
Rob Myn

Hey Brad, Now I've been trying to think of something "original" to say to you, besides "Have a nice summer" or something really stupid like that. But since I only have 5 minutes to write something and I can't think of anything to say except meaningless sayings, I'll just say that it's been a great year and I hope to see you next year. Have fun in Germany. Wayne Weisbaum

Brad,

I know you have a neat voice and you put a lot of effort in your singing. Never, let up on that - those are beautiful qualities.

I hope that in the future that you will find the peace that only God can give. See be back to ~~see~~ you soon.

In Christ's Love,
Dacia

Brad,

I'll never forget at the Olympic Hotel when we were singing there last Christmas, when you just came up + introduced yourself. It was neat. Not many people are as friendly as you. It's a neat quality + keep it OK? Good luck next year! ☺

Love,
Kim
Smith

Brad,
It's been really
in knowing you
or choir this year! You're
a pretty neat guy! Have a
terrific time in Europe too!!!
Best Wishes always!
Love,
Liz Walter

P.S. I never did
here how you broke
your leg!

Brad,

I think I'll hog this page here.
This summer is going to be OUTRAGEOUS!
Going to Europe - all that! We'll sit together
on the plane so we can talk. Well we only
have 2 more years of school & we'll be set
free to roam the world. I'm hoping to become a
nurse. I know you will be successful at
whatever you set your mind to be. I know
we will probably get to be really good friends
in Europe so good by for now! we will go
dancing & bar hopping.

"Go" Rules

a new generation

Brad,
 This year has
 been fun. The best
 part was being hum-
 iliated by Bohannon
 from time to time. Right?
 Well, maybe not, but it has
 been a pretty fun year (with the
 exception of one broken leg.) Have a fun
 summer and I'll see ya next year.
 Love,
 Jennifer
 Ludwig

Brad,
 I hope you have
 a great summer.
 This year has been
 boring but it finally
 is over.

See ya
 Mary
 Gagner

Brad,
 I hope you
 have a cool sum-
 mer. You really nice
 and sweet. I hope
~~hope~~ you stay
 that way. Keep
 singing.

Bye - Bye

Sherry
 See ya
 next year

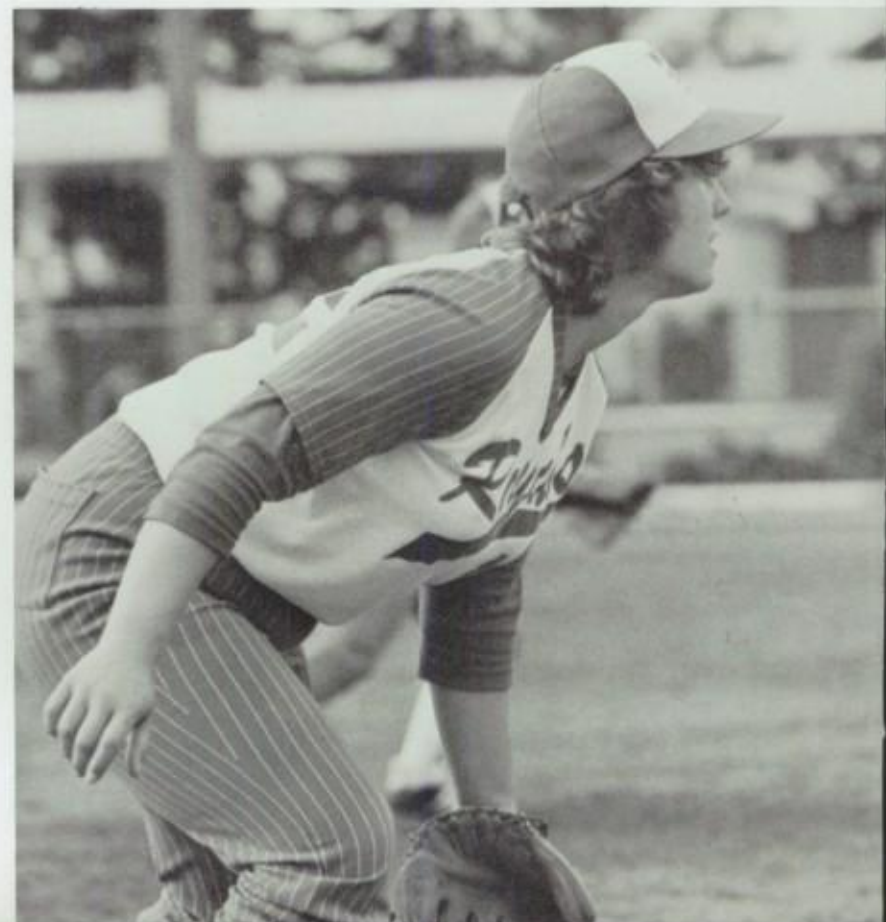

Brad,
 It's been a long year.
 But you went through it well.
 Enjoy the choir next year.
 I hope the people in there ain't
 as stuck-up as they were this year.

Pictured from left to right are the following squad members: Back row - LeeAnn Cremeen, Leah Grant, Coach John Hill, Cindy Gerber, Vickie Locken, Patty Christen, Pat Benson, Patty Morris, Sheri Cole, Becky Stansell and Lisa Quam. Middle row - Rhonda Sims, Alice Smids, Kim Dehnert, Marcy Curran, Cheri Dewitt, Carol Preble, Karen Staats and Trudy Wilson. Front row - Christy Smyth, Tami Harto, Barb Anderson, MaryAnn Wilson, Michele Tilley, Shannon Ballenger and Jill Whealy.

1978 marked the inaugural season of a new spring sport at K-M - girls' softball. Refusing to follow the tradition that first year teams are destined to lose, our Royal girls posted eleven victories against just six defeats. Actually, the record could easily have been much more impressive, as four of the losses were by a single run. Losing only one starter through graduation, Coach John Hill is eagerly anticipating his second campaign.

baseball

Pictured from left to right are the members of the 1978 Royal junior varsity: Back row - Keith Bese, Gary Hill, Steve Lott, Dennis Werth, Jeff Williams, Steve Gordner and Coach Milan Marcinko. Front row - Tim Baskin, Brad Sturman, Kelly Zumek, Flint Gard, Bob Kelly, Dennis Burnside and Paul Rauch.

Pictured above from left to right is the 1978 Royal varsity baseball squad: Standing - Bob Stewart, Phil Klopstein, Chris Sortun, Ted Reynolds, Dan Johnson, Jeb Best, Darren Swanson, Coach Jim Leigh and Dave Gard. Kneeling - Greg Highsmith, Randy Querin, Stu Hill, Ed Burgi, Doug Highsmith, Chad Helton and Terry Gurno.

Despite fielding only three returning starters from last year, the Royals finished third in the NPSL with a respectable 10-8 record.

The coveted Most Valuable Player award went to Jeb Best who set school records with eight doubles and sixteen stolen bases. Ted Reynolds, who tied K-M standards with nineteen hits and a .396 batting average, won the Don Heacox Memorial award. Terry Gurno was voted Most Inspirational. Further honors were accorded the Royals when Best was named to the All-NPSL first team, Greg Highsmith was placed on the second team, and Ted Reynolds received honorable mention.

The JV team was weakened by the fact that several fine sophomores played varsity. Nevertheless, they compiled a 6-8 record. Most Valuable JV Player award was presented to Tim Baskin and Flint Gard was voted Most Inspirational.

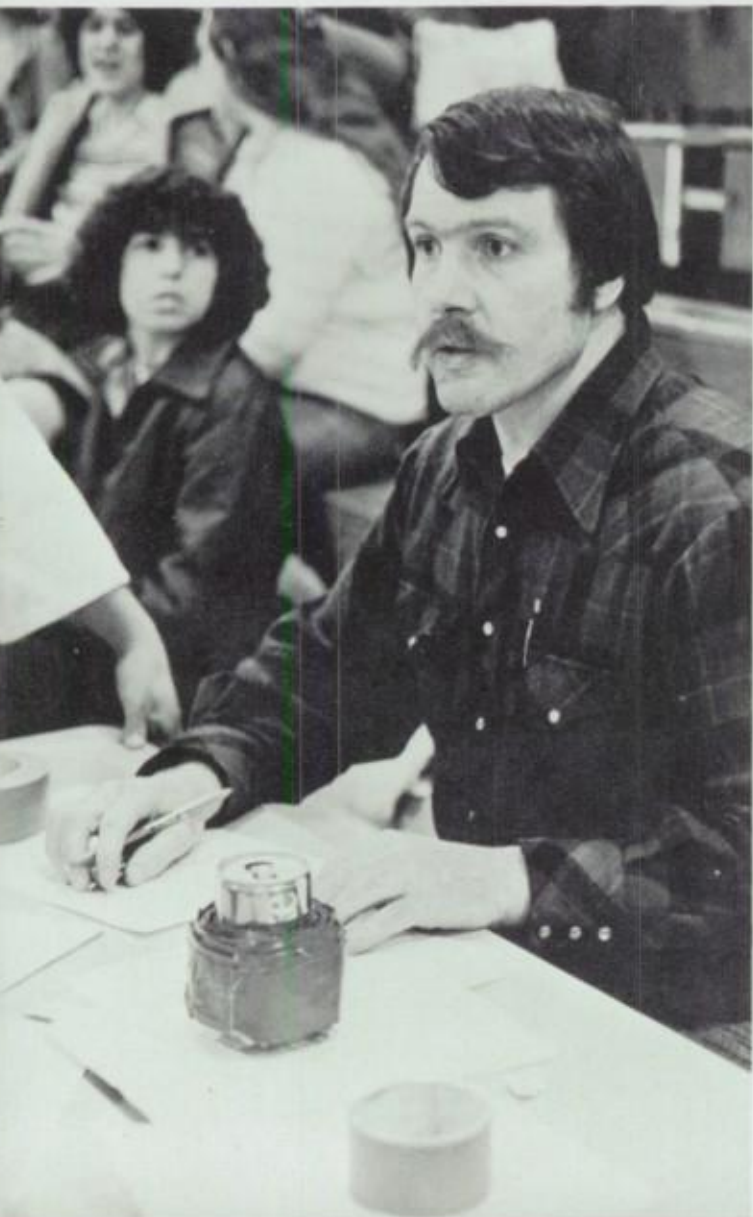

Although few in number, the Royal Judo Team made its mark in state competition this year. Brian Higa placed 1st. at 115 lbs. while Bob Stafford was 4th. in the 125 lb. weight division. Another highlight of the year was a trip to Hawaii for the national championships.

Pictured in the photo below are the following judo team members: Back row - Brian Higa, Bob Stafford, Sal Martinez, Mick Wiscavage and Coach Doug Graham. Front row - Connie Ellis, Kevin Higa and Jean Olsen.

At the annual banquet the following awards were presented: Captain - Brian Higa, Inspirational - Bob Stafford, Don Heacox Memorial - Connie Ellis. Sal Martinez was elected 1979 captain.

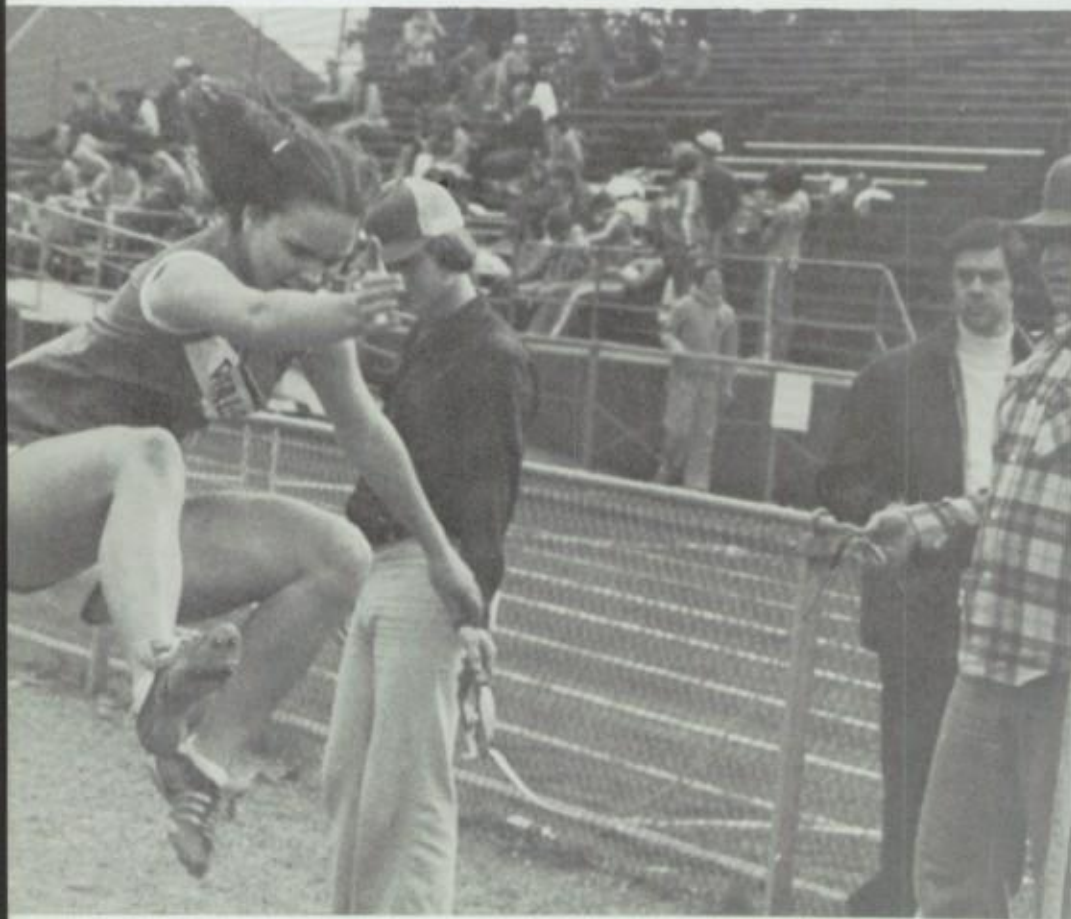

judo

girls track

Improving as the season progressed, our girl tracksters compiled a 5-1 dual meet record in league competition - good enough for a second place standing in the Olympic Division of the NPSL. A team highlight was the NPSL first place finish by the 440 yard relay team composed of Gail Stewart, Tina Hill, Tracy Garrison and Michele Lewis. An outstanding individual performance was turned in by Tina Hill who qualified for the state meet in the 440 yard dash.

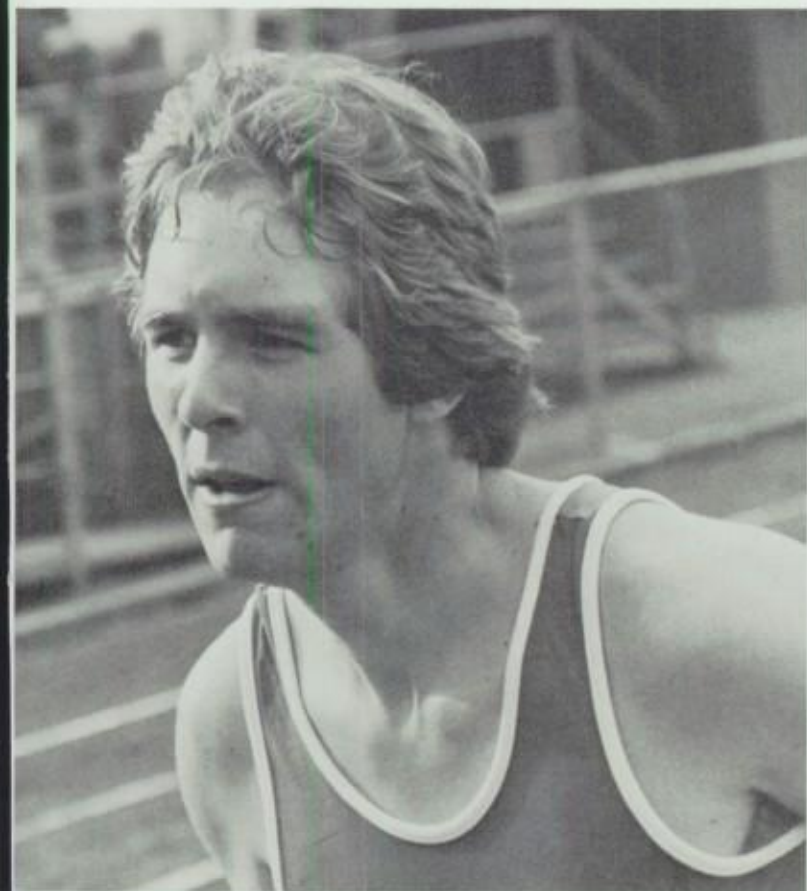

Pictured in the photo at left are the following team members: Back row - Coach Ed Smith, Teri Tranholt, Lynne Briest, Keri West, Tina Hill, Laurie Patricelli, Sherry Dunham, Kim Robbins and Coach Peggy Templeton. In descending order - Kim Nguyen and Anne Sophia Einarsson, Gail Stewart and Merry Zielinski, Sue Vijarro and Vicki Harting, Lois Sisk and Michele Lewis.

Pictured in the photo above are the following squad members: Back row - Coach Bloomquist, Kevin Rutledge, Ty Graham, Mike Royston, Coach Schmidt, Chris Sproat, Vince Conwell, Ken Knott and Phil Stewart. Middle row - Carey Cain, Don Bartley, Vince Burke, Bob Orndorff, Kerry Richardson, Mike Bates, Chris Lochman and Jim Williamson. Front row - Scott Bryant, Scott Geisking, Jamie Pechtl, Jim O'Neil, George Champlain, Chris English and Ty Hanson.

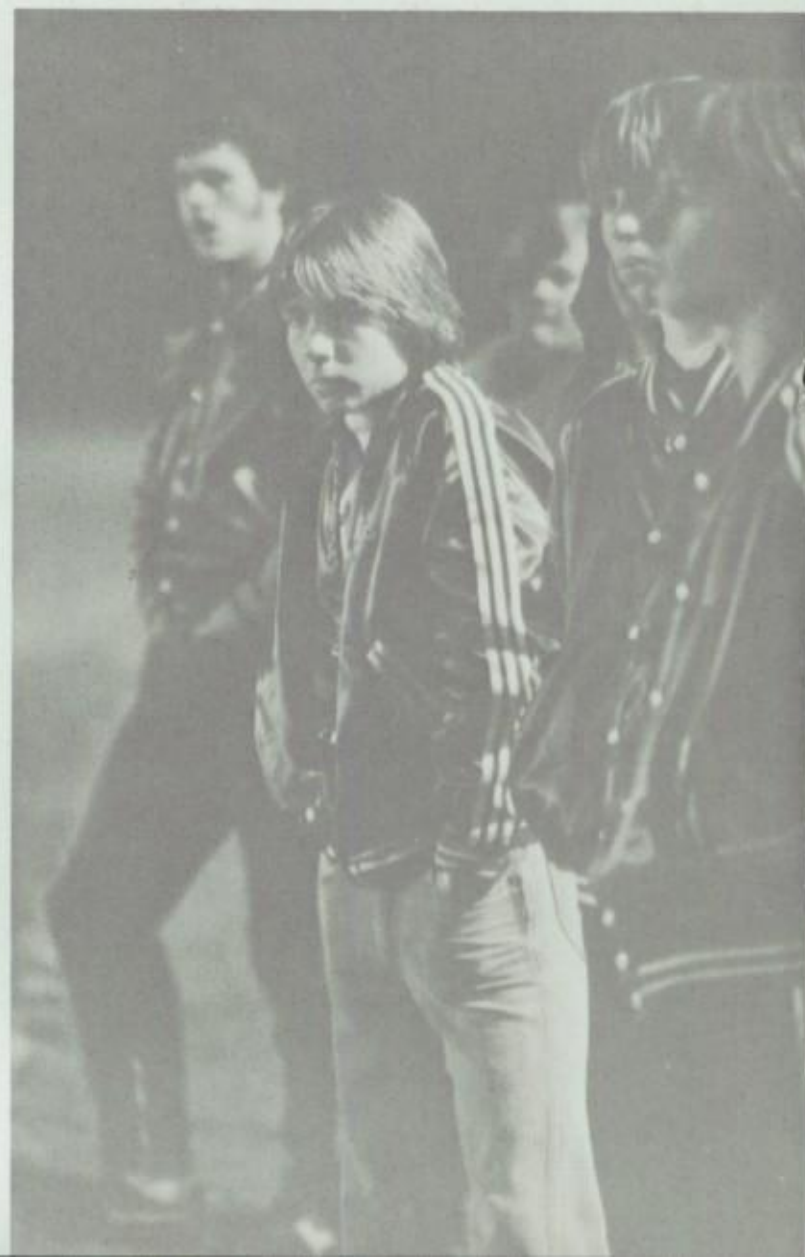

Crippled by early season injuries, our boys' track team never realized its full potential and defeated only Auburn in league competition. Top individual performers were Kerry Richardson and Chris Sproat who both qualified for West Central in the pole vault.

Pictured in the photo at right is the 1978 Royal soccer squad: Standing - Vince Brimhall, Ted Saalfeld, Tim Sisson, Brian McKelvey, Rob Knipfer, Coach Steve Clark, Mike Dunbar, Jeff Schraeder, Alex Rodriguez, Jeff Scott, Russ Peterson, Mark Sisson, Dick Stewart, Curtis Lutz and Alan Paris. Kneeling - Matt Clapp, Vince Berg, Frank Fekkes, Eric Gudmundson, Daman Hagerott (captain), Mark Hagerott, Skip Pries, Randy Good, Scott Charbonneau, Rich Hubeek, Jim Durand (captain), Kevin Foster and Steve Botts. Not pictured - Pat Dunbar, Mike Foster and Dan Moorehouse.

This season the Royal soccer team experienced more success than ever before, even though they did not reach their goal of league champions. Our K-M booters completed play with a 10-7-2 overall record and an 8-3-1 league mark, which placed them second in the NPSL. Coach Clark cited Brian McKelvey, Daman Hagerott and Russ Peterson as outstanding players. An enthusiastic and growing sport at Kent-Meridian, we expect our Royal soccer squad will provide us with more good news in the future.

Pictured below from left to right are the members of the 1978 Royal gymnastics squad: Kneeling - Managers Cindy Ennes and Steve Brand, Coach Gunter Bohrmann, Assistant Coach John Diaz and Manager Rikki Grier. Standing - Tony Yonemitsu, Louis Zumek, Joe Bardsley, Doug Hiranaka, John Daley, Steve Anderson, Paul Lamb, Dan Henderson, Jeff Lukkes, Joey Rapp, Jeff Prang, Kelly Donyes, Doug Barchek, Tom Rausch, Chris Peters, Brad Esparza, Chris Kleweno, Larry Grams, Marty Baerny, Mike Powers, Rob Freelove and Mike Yonemitsu.

This spring the Royal gymnasts proved their superior strength by winning the 1978 Washington State Gymnastics title for the second straight year with a season high of 163.025 points. Joey Rapp, highly favored to win the all-around title for K-M, missed his pommel horse routine and was narrowly beaten out by Richland's Brett Barland. However, Rapp came back the next night to capture four individual titles on floor exercise, vaulting, parallel bars and horizontal bar. In addition, Jeff Prang won the pommel horse and Larry Grams the rings, so that all individual titles belong to the Royals. K-M gymnasts have now won four state team championships and 24 individual state titles. The Royals are currently ranked as one of the top gymnastics squads in the nation.

Kneeling - Marilyn Mytron, Becky Smith, Cathie McCullough, Lisa Rothleutner, Mary-Ann Raftis, Stuart Scarff and Brett Aleshire.

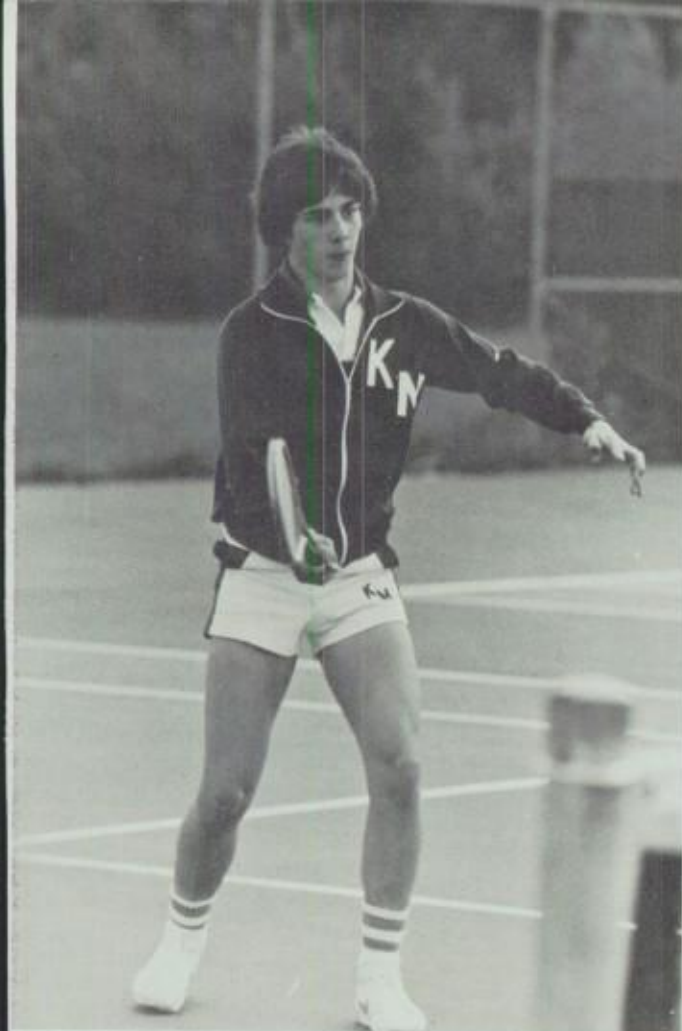

Tennis is normally a strong spring sport at K-M and 1978 proved to be no exception. Early in the season the Royals entered the Charles Wright Invitational in South Tacoma and emerged as co-champions with the host school.

As NPSL play began, the attention quickly focused on K-M and Kennedy. In a "showdown" match the Lancers prevailed, but only after several hard-fought contests had gone the full three sets.

When state tournament time rolled around in late May, all eyes turned to our premier girls' singles player, Maryann Raftis. Competing at state for the third straight year, Maryann placed a very respectable 3rd. The points she earned were sufficient to place K-M 4th. as a team and conclude another successful season for the Royal netters.

senior ball

Conveying the theme, "Even in the Quietest Moments", the 1978 Senior Ball was truly a success. This dance, exclusively for the class of '78, was held at Fairwood Golf and Country Club. With tunes supplied by "Chameleon" a lovely evening was enjoyed by all. The Senior Ball Royalty was as follows:

Court	Escorts
Jill Payne (Queen)	Dale Cosand
Jennifer Loomis	Brian Adler
Gina Hawk	Carl Evans
Sonja Carlson	Alan MacLurg
Dacia Walton	Lowell Gordon

senior banquet

A lavish buffet held June 5 at the Auburn Elks Club served as a farewell dinner for 170 graduating seniors. Special entertainment featured musical duets by Kim Swift and Bryan Huey and Kate Otey's slide presentation. To add a touch of humor, the game of "Father Abraham" was introduced and enjoyed by all.

Perhaps the evening's most touching moment occurred when Japanese foreign exchange student Mayumi Nakagawa read an original farewell poem to the Class of '78. Altogether, Senior Banquet provided some cherished memories for our departing graduates.

mothers tea

One sure sign of the seniors' departure from Kent-Meridian is the Mothers' Tea. This annual festivity honors the mothers of seniors for successfully seeing their sons and daughters through twelve years of school. The tea was complete with a fashion show and live entertainment. The event was sponsored by Spades club with Tina Fisher acting as general chairman. Pam Tolas and Mark Aslett served as masters of ceremonies.

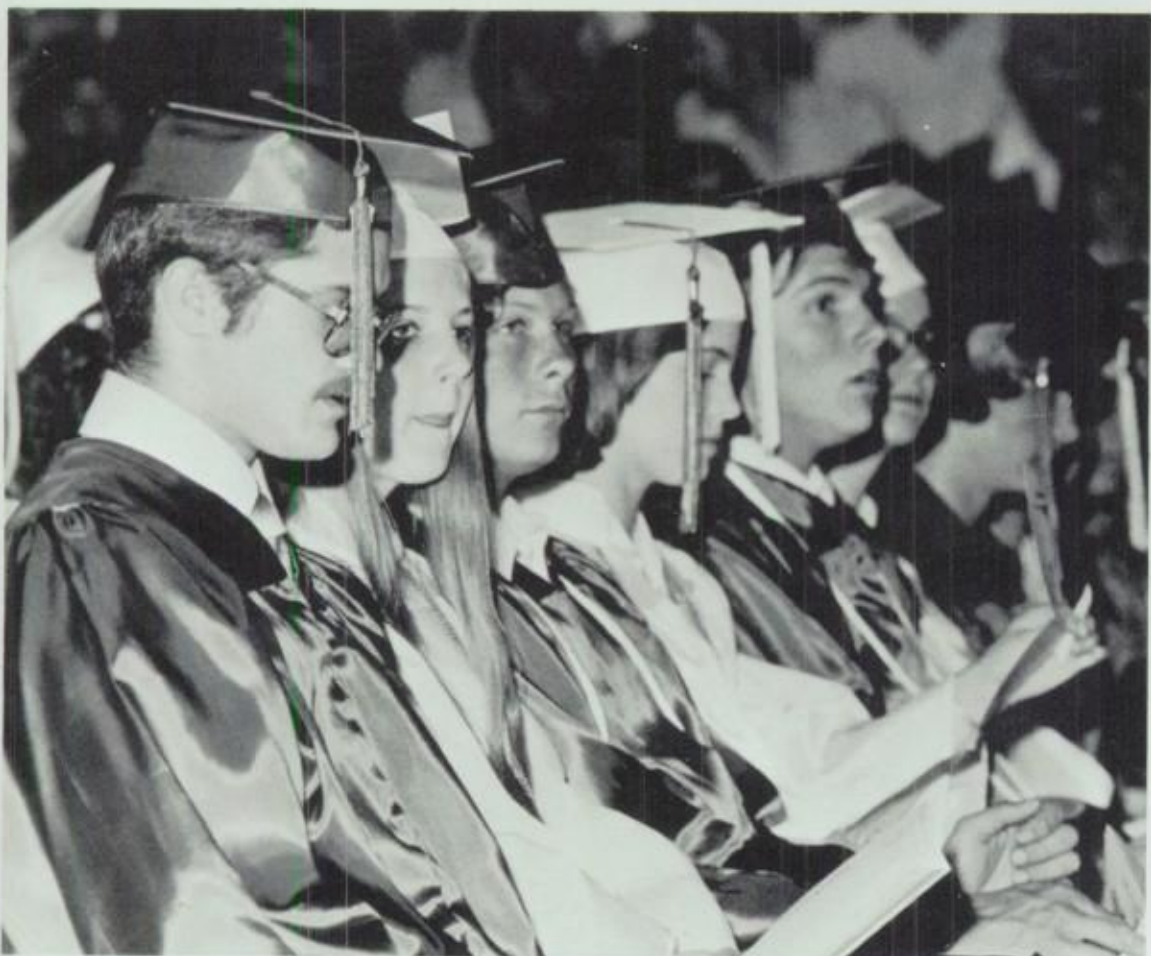

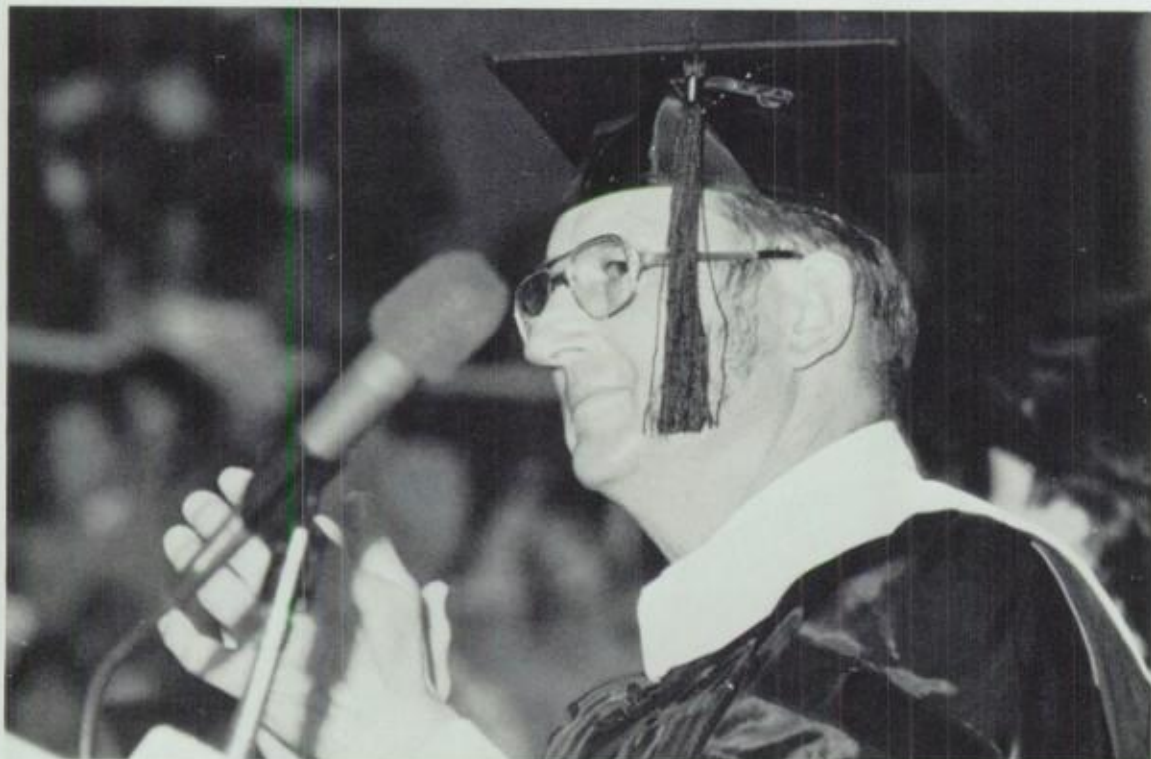

graduation

June 8 was a night for graduates as blue and white mortarboards almost hid the K-M gymnasium floor, and a crowd of more than 2,500 relatives and friends filled the bleachers.

The K-M orchestra provided the musical backdrop, but it was the graduates who filled the evening's program - for it was their night. Departing from the traditional Commencement format, a delighted audience viewed a slide show produced by graduate Kate Otey and featuring the Class of '78. As scenes from school, athletic events and senior activities flashed on the giant screen, the audience responded with a mixture of laughter, applause and tears.

The slide presentation was accompanied by a musical arrangement composed by graduate Jay Powers. The words to his song (see page 24) summed up the feelings of many in the K-M Class of '78 at the final hour of their high school careers.

What is the thing that we fear?
Is it knowing that no one will hear?
If you screamed that the end was
near,
No one would care next year . . .

We will never see us again.
You just can't go back at the end.
And time goes on drifting and
then . . .
If perhaps we're together again
Maybe someone will hear us and
send . . .

We look back at what we had
It was happy and sad.
But one thing is sure
Now it's for your memory.
Please remember - you gotta
remember,
Where you go, what you know, how
you grow
Will depend on the way you
remember.

I'll remember you all standing there.
Approaching the top of the stair,
Preparing yourself to descend
And making your way to the end.
